Leslie's a lovely girl . . . but . . .

Sex and the Librarian, that sounds like a good book.

The Years Beginning Rushes In

"Great guy . . . goob . . . natural for Homecoming Queen . . . pig . . . wonderful Christian . . . stud . . . loser . . . everything at Boy's State . . . everything at Murrah . . . screw Murrah . . . poor background . . . shady rep . . . looks Syrian . . . ASB President in '70 . . . hood . . . Carrier Scholar . . . shakes hands like a wet rag . . . All Conference . . . my God—she's a legacy . . . too much make-up . . . falsies . . . has he committed to anyone? . . . no, it's between us and the Delta Psi's . . ."

And on and on until out of the early morning cut sessions—a pledge class is born . . .

"Got everybody we wanted . . . quality not quantity . . . we wanna stay small . . . so many great people coming through, had to bid 'em all . . ." And the Greek world is once more infused with vibrant new life and a wealth of new closet cases.

You say Sigma Nu doesn't have a Hell Week.

Oh by the way, don't bother coming back.

You can't keep the baby and your sorority pin.

And With It Comes Red Tape

OFF-BROADWAY PRODUCTION OF "REGISTRATION" FOLDS AFTER TWO DAYS—MOST CRITICS PLEASED

National Enquirer—"A highly psychopathic drama with deliciously brutal moments." *N.Y. Times*—"Never have so few screwed up so many." *Oxpatch Buzzard*—"We recommend "Registration" as sober, sober, sober fun for

every student." *Playboy*—"A colossal bust with a weak supporting cast." *Pravda*—"Brilliant example of capitalist decadence." *Mad Magazine*—"It's a scream—absolutely the funniest thing we've ever seen." *Sports Illustrated*—"Punt." *Mississippian*—"Rehash of an old plot that leaves you with a taste of rotten peanuts." *National Funeral Directors Bulletin*—"H. K. Faulkner came to life in the last scene and stole the show."

at I followed the instructions and I wound up back here.

If you date the lab instructor—it's an easy A.

Now what should I put down for the color of my hair?

Give 'em hell, Batman.

Football Spirit Reaches Annual Peak

Although they weren't the Rebels of old, the regular season was a lot better than basketball. It was the post-season game against the University of Tiajuana at Acapulco that stuck in everyone's craw. No one on campus ever heard of the Tamale Bowl and there was concern that Ole Miss prestige might be damaging by accepting an invitation. However, the tables were turned after the game and the President of the Tamale Bowl was forced to resign because of the damage to the prestige of the bowl game. But Vaught marches on—on to the Toilet Bowl in '69.

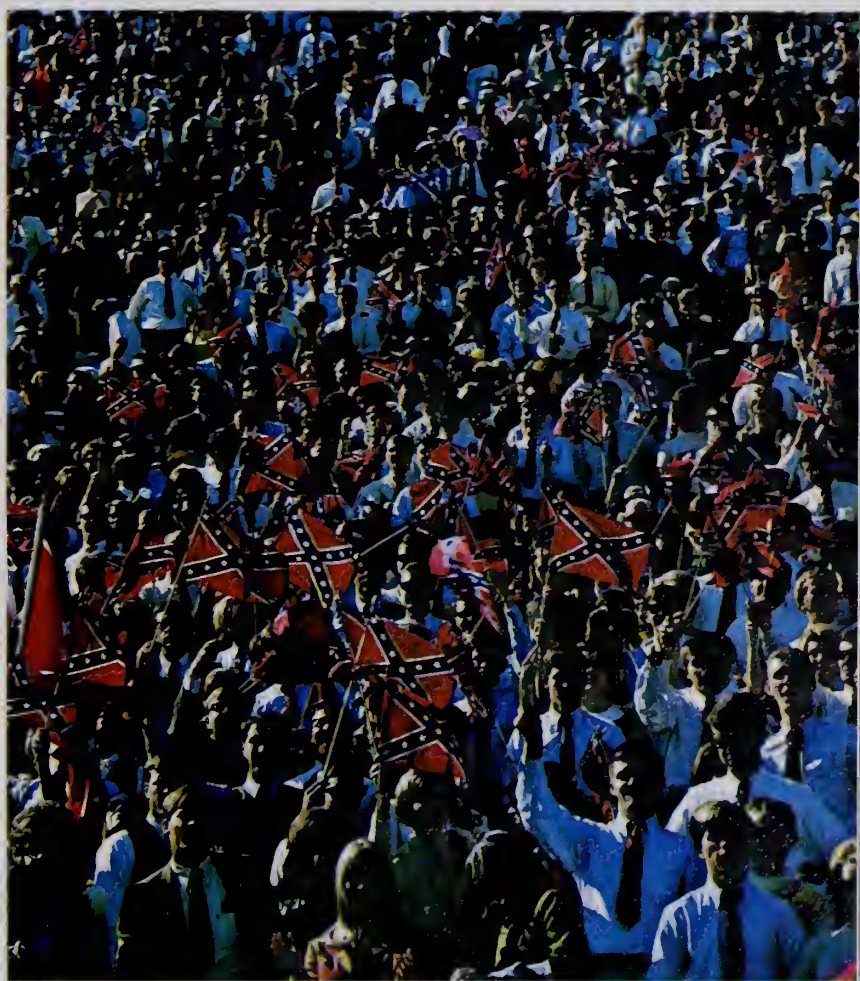

You say your name is Hillhouse.

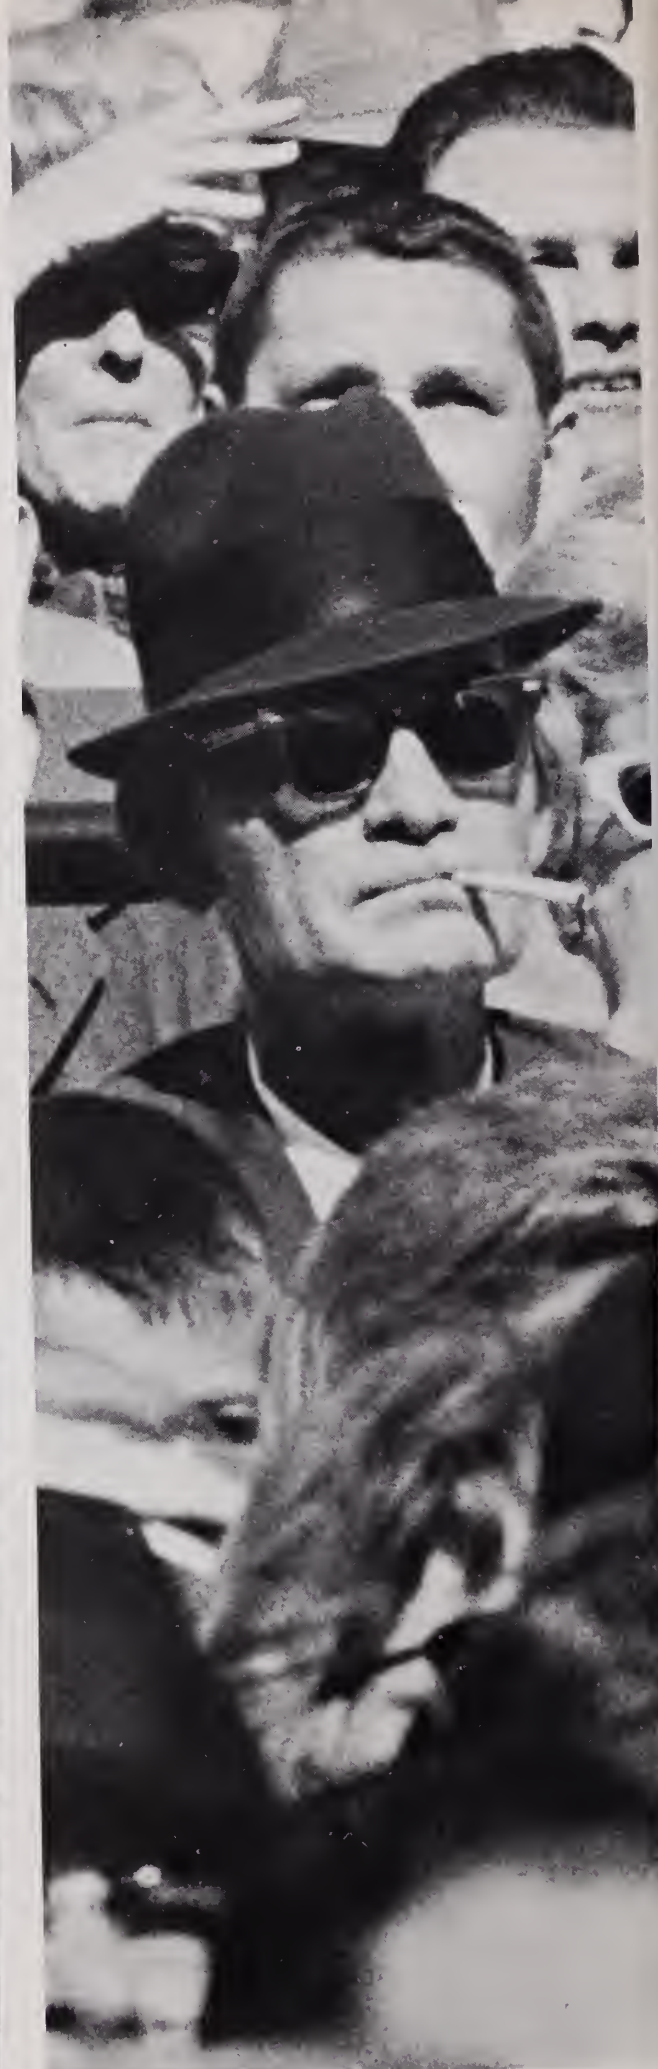

Besides football, I also play checkers.

In the true alumni spirit.

I'm really a plainclothesman.

The last hurrah.

United Effort Yields Homecoming

Homecoming first rears its head when two or three coeds announce they will compete in friendship for Homecoming Queen. The friendship ends with the announcement. Following the annual blood-letting, fraternities, sororities and dormitories continue to compete in friendship as each constructs a meaningless display based on a meaningless theme. Then the great day arrives and the great game is played before the good old alumni—both conscious and unconscious. For the rest of the afternoon, parents and alumni try to keep from staggering into the decorations. When the grads finally pass out, the fraternity parties begin. After students leave the parties for off-campus destinations, the fun begins.

Before you run for Governor, we've got to get you elected to the Campus Senate.

One more stroke and I'll be through.

A Variety of Campus Events

The most unusual campus event award goes to the AWS for its cake-walk flop. Of course, the women had a running start—so many other events they sponsor are of similar calibre. There were also some usual events that turned out as usual. Oxford held its annual Christmas parade. The Greek organizations competed in building floats and the remark of the losers were once again, not in the Christmas spirit. Another traditional event was the charitable giving to destitute children. Fraternities and sororities held parties for the little monsters to give them nourishing candy, switch-blade knives and other useful items designed to make Christmas a bit brighter for the deprived.

Everyone's got a heritage.

A swap between the SAE's and the Phi Delt.

Coeds anxiously await the decision of the Editor in the Parade of Virgins.

Who has to get married?

Bring some more of your friends over tonight.

Beauties and ? Are Chosen

Most men see the Parade of Favorites for free. It is well worth the price. Besides the free ticket which is paid for by their sorority dates, there's a free meal. And sometimes the cooperative males get a bonus from the more cooperative females. All they must do is bring their I.D. cards, pick up their ballots and hand them over. Women's suffrage then runs wild. The sweet little things vote for all their sorority sisters and cast the rest of the votes for some dogs who don't have a dog's chance. The ten coeds in the sororities paying for the most votes or stuffing the most votes are then declared the Favorites of Ole Miss.

Where do I sign out for if all we're gonna do is park?

And I saw them doing it on the fourth level.

"Roll with Ross"

I told you it wasn't safe to use them more than once.

Do you think anyone will know it's pajamas?

Entertainment Bombarded Campus

The three dollar activities fee voted in by the students last Spring left the ASB with more money than it knew what to do with. To the glee of assorted booking agents, some fat contracts were signed. The entertainment wasn't bad—but the agents came off with the better deal. As for the entertainers, civil rights forces were deliriously happy. A less enthusiastic reaction came from the wholesome and righteous crusading element. The booty-goodies were offended by the gyrations of two of the female members of the James Brown entourage. There was a feeling the performance was suggestive. How, how would the wholesome and righteous crusading element know anything about that?

Well fellas, one of you has got to marry her.

The KA House of the near future.

I was better off cooking zorba burgers.

Black and White.

Basketball Opens Yule Season

Santa Claus left an egg in Eddie Crawford's Christmas stocking. The egg was rotten. It closely paralleled his won-loss record for the season and seasons past. But the coach took everything in good stride and displayed his usual pleasant, even-tempered disposition on the sidelines, win or lose—mostly lose. The basketball season, however, wasn't a total disaster. The Rebels defeated Mississippi State and Crawford's name will go into the books as the losing coach to Adolph Rupp when Rupp won his 772nd victory. Speaking of victories, Crawford scored a real impressive one over the ASB Concert Committee, Haley Barbour and James Brown.

The bell rings in 43 seconds.

Blue Ink to Red Bricks

For many years, the university named new buildings in honor of former deans and chancellors. Barnard, Hume, Kincannon, Stewart, Hefley, Deaton, and Guess are a few examples of this tradition. Everything rolled along smoothly until it came time to name what is now known as Brown dormitory. The naming procedure came to a screeching halt. For almost two years, the building remained nameless while university name droppers pondered public reaction to a women's dormitory called Butts Hall in honor of another former chancellor. Though the name in this case would have been more appropriate than most, discretion proved the better part of valor.

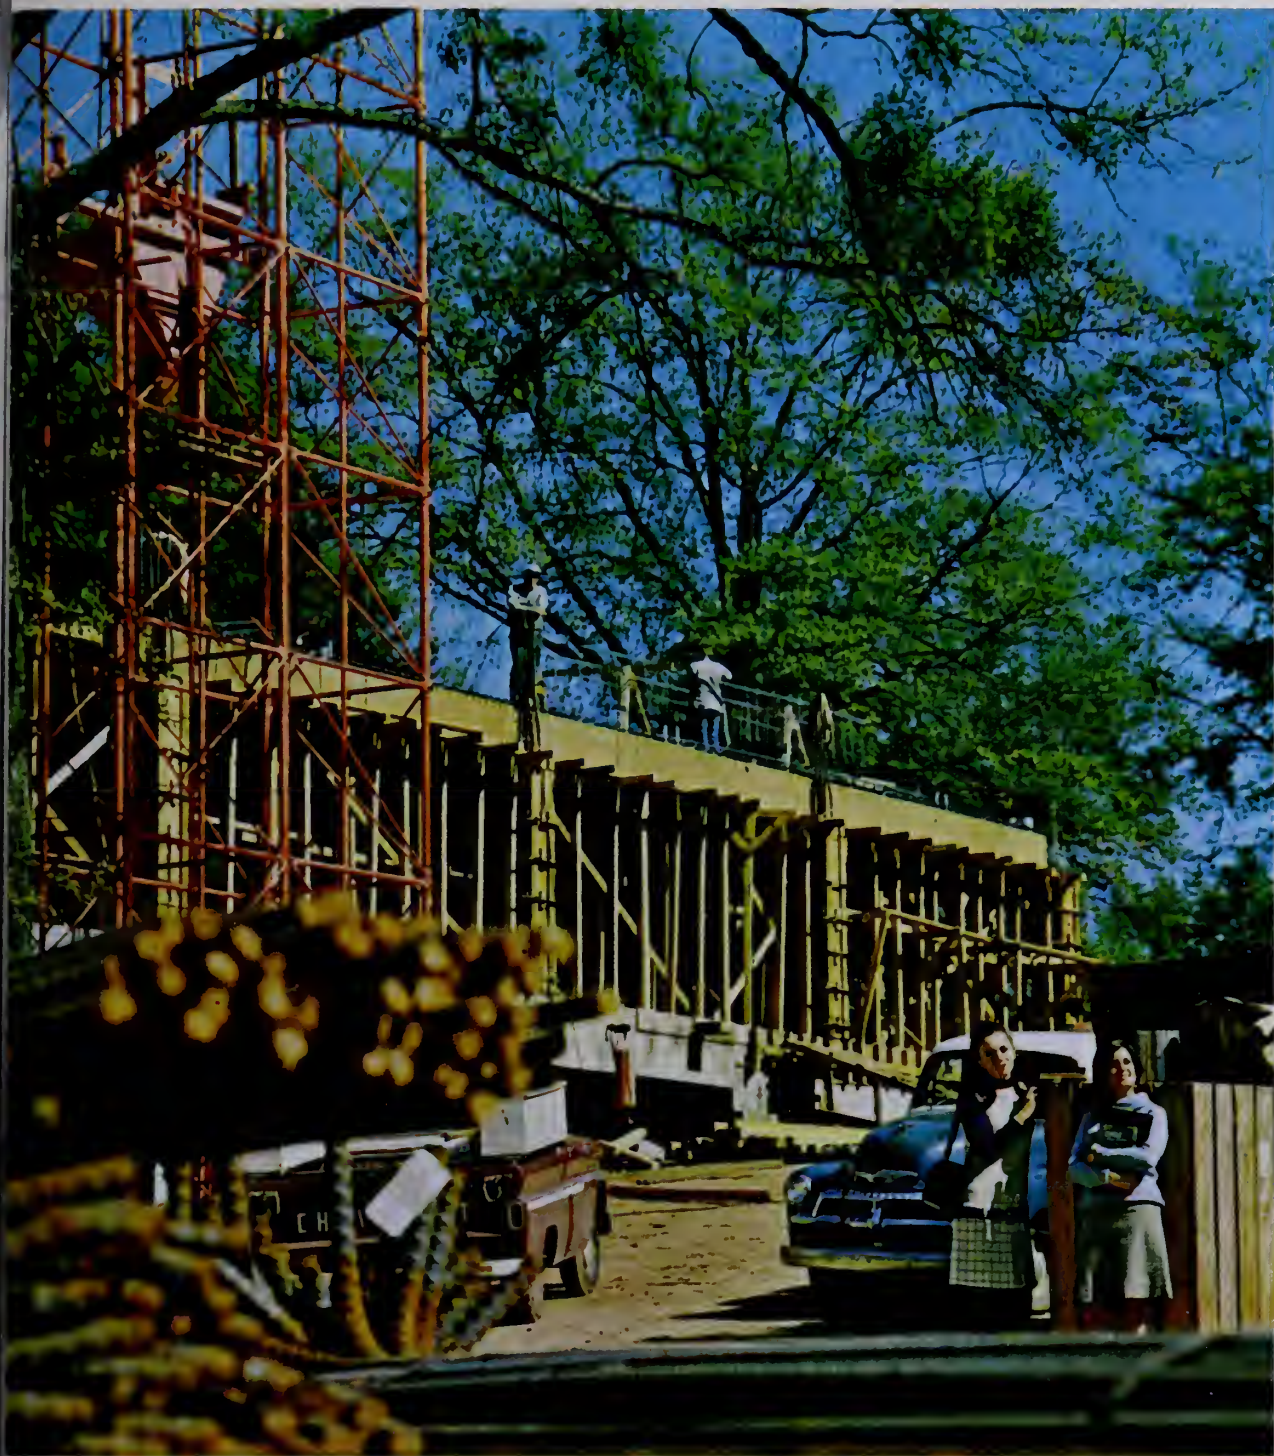

I hope I look interested.

Go right in . . . there are only three ahead of you.

It's only ten p.m.—we've got time for a quickie.

Thousands jam Coliseum to hear new Chancellor.

Who's this guy Fortune?

Rusty taking a study break between dates.

Eminent Speakers leak Wisdom

Some fifteen hundred people jammed Fulton Chapel to hear the Boston Strangler's mouthpiece mouth off on what it takes to be a good criminal lawyer. Besides F. Lee Bailey, about two hundred people fought for seats in the Coliseum to hear the new chancellor, Dr. Porter Fortune in his maiden speech at Ole Miss. The choice of the Coliseum for the Fortune address was another stroke of ODK genius. There weren't many other notables to speak here. Of particular disappointment to political scientists and Young Democrats was the snubbing of Ole Miss by Stokely Carmichael, Rap Brown and Adam Clayton Powell. Apparently Bailey and Fortune were not their cup of tea.

Extra-Curriculars Divert Students

College life is not all work. There are clubs, committees, plays, and speakers to hear on campus. Students are also fortunate to have at their disposal the recreational facilities of Oxford—a veritable mecca of fun. There's a drive-in, one and a half theatres, a bowling alley, three pool halls and the finest restaurants in America. There are seven package liquor stores and a bar. Culture lovers can get their jollies at the Mary Buie Museum. The Confederate Cemetery, the Coliseum parking lot, the roadside park, behind the Education Building and other locations also provide opportunities for students to park and discuss world problems.

If my theory is right, there is no constitution.

I'm glad you crossed your legs, Amanda.

you can sit here looking for a thrill, so can I.

And then Batman said "pow."

One of the few.

We're marching to the Mayor's house, wanta come?

Warm Days— Time of Love

Spring is a time for Robbins. It's time for birds and bees and rabbits. It's also a time for love, passion, and new life. But Ole Miss students don't react any differently in the Spring than any other season. They just keep at it all year long. The only effect the warmer weather has is to bring it all out in the open. The action emerges from apartments and cars to the beaches of Sardis and the rolling woodlands of North Mississippi. Robbins may mate in the Spring. Ole Miss students never change their tunes—they sing like crazy all the time.

What did you say about a spider in my salad?

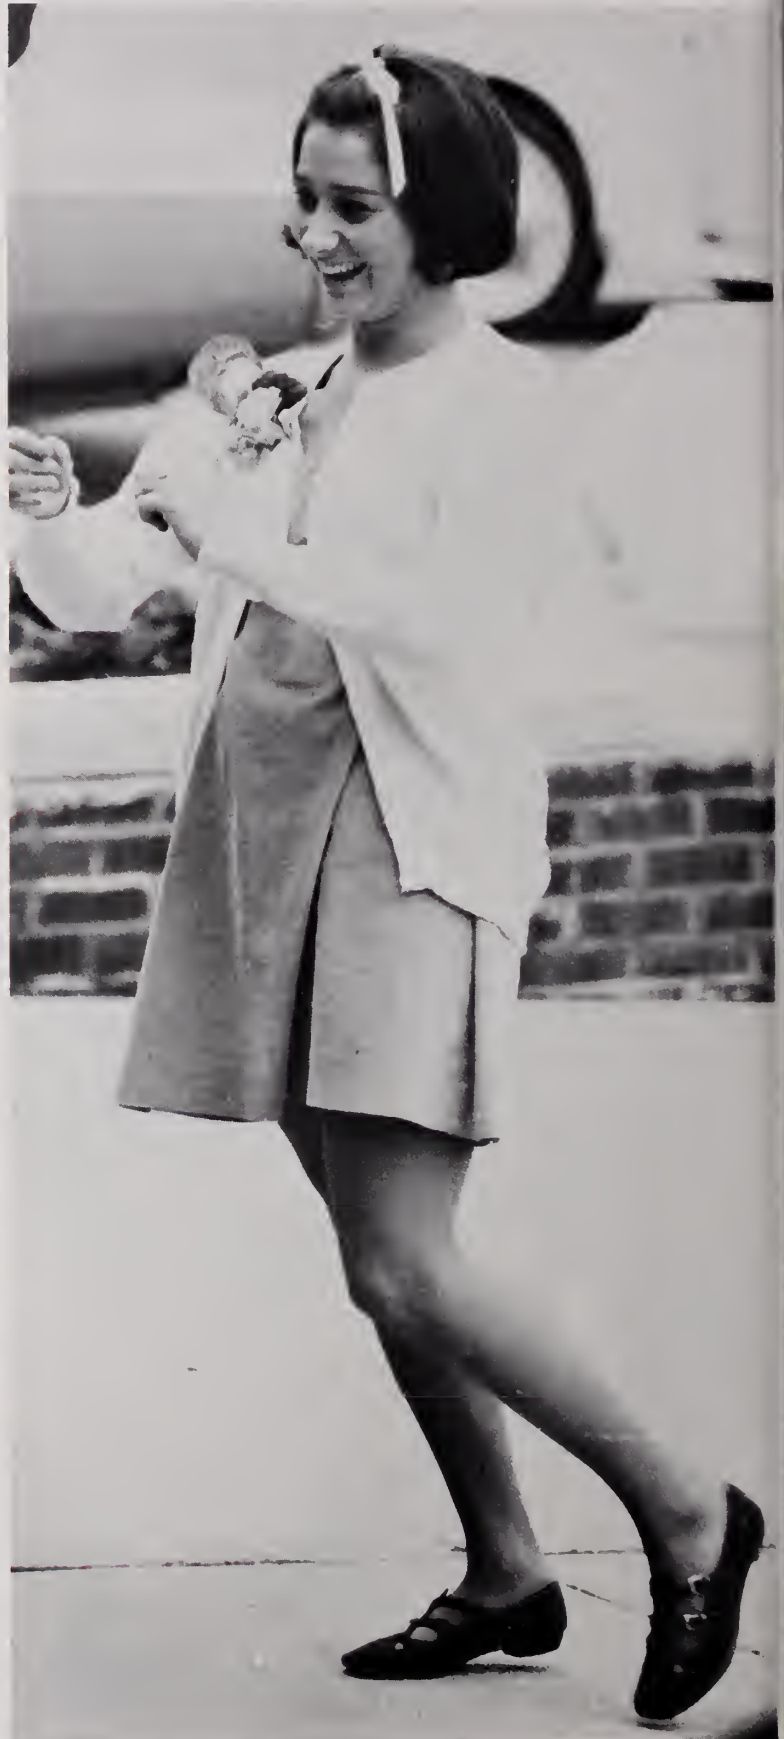

I can show you how to be popular.

Get that stupid grin off your face . . . the polls closed five minutes ago.

Let's face it folks. I'm great.

Thanks Jack, I'll be through using the apartment in a couple of hours.

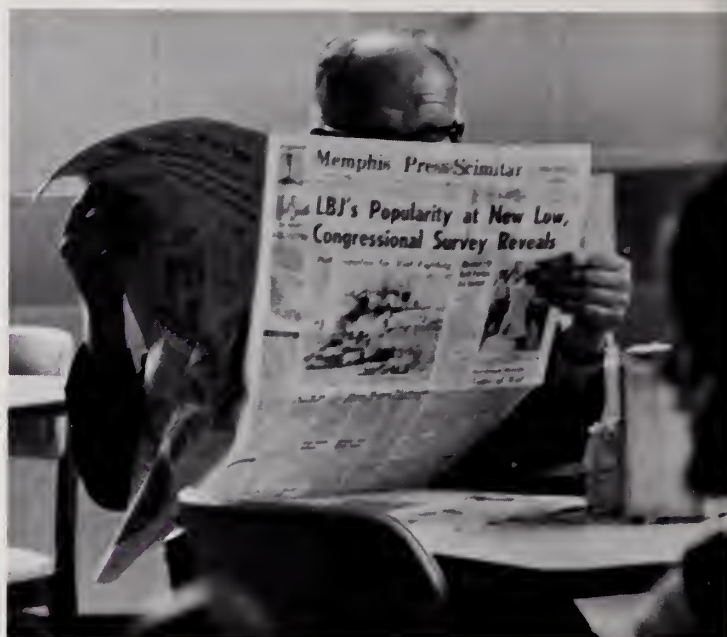

Politicians Take Over

March is the month of the independent slob. Suddenly, sorority coeds remember the faceless clods crammed into the men's dormitories. The reason—it's time for an ASB election. The little women lavish their warm and suggestive smiles on goobs they wouldn't be caught dead with the rest of the year. Of course, the smile followed up with the usual political pitch—"Won't you consider Greta Grunch for ASB Secretary—she's so qualified." But the sororities are not the only bunch to throw themselves at men in March. The Phi Delt's are also pretty good at it—except they do it all year long.

A little dex goes a long way.

Hitler's alive and living in Argentina.

Parties Insure Fling Before Finals

Brotherhood is the byword at fraternity parties. Not only are frat men concerned for their brothers—they also take care of the brother's dates. The stags ply the brother with booze until he can't see. Then they put him to bed and ply his date with booze. The distraught coed is grateful to be taken under wing after being abandoned by a drunk. Sometimes she's very grateful. The fraternity brother has mixed feelings. He's grateful that someone took his date home. He's not so grateful when he finds out the good brother has the little woman booked solid for the next three months.

How about dessert at my apartment?

I really don't understand a damn word of this stuff.

BILLY GOTTSHALL
ASB President

The ASB executive branch has a President and lesser entities along with an impressive cabinet and 69 vital committees. Without the work of these committees, student activities would come to an abrupt halt and life would not be worth living.

But the heart of student government is the all-powerful Campus Senate. As in Ancient Rome, the word of the Senate is law. In January of 1960, the Senate ordered the Physical Plant to build a staircase on the Girl's Intramural Field. In January of 1968, on the advice of a University employee who picks up papers from the grass, construction was begun.

Of course, no great government would be complete without an effective judiciary. The Student Judicial Council fills that bill. And speaking of bills, the Council is quite wealthy from all the bucks passed its way by the dean.

Committees Direct Activities

As new students arrive each fall for the beginning of school, they encounter several committees which direct student activities.

The Student Activities Committee members welcome new students to the Ole Miss campus each year. Homecoming Activities, Dixie Week, and the Miss University Pageant are also delegated to the Department of Student Activities. The Student Activities Committee is headed by Hinky Hall.

The Welcome Rebel Party sponsored by the Department of Social Affairs welcomes Ole Miss students each new school year. Besides staging dances this committee is responsible for bringing entertainers to Ole Miss, such as Ray Charles, The Lovin Spoonfuls, and James Brown. Haley Barbour is the Chairman of the Department of Social Affairs.

The Department of Campus Affairs under the leadership of John Howard Shows provides student activities on campus and works to coordinate participation with Byron Hughes, Chairman of the Independent Affairs Committee, a major segment of this department.

The School Spirit Committee headed by Clant Seay functions primarily during the football season to create genuine school spirit for every game. By promoting all pep rallies and assisting the cheerleaders with the distribution of Rebel flags at football games, this committee has worked closely with the Megaphone and Cardinal Clubs to enrich school spirit at Ole Miss.

The Homecoming Committee headed by Steve Bozeman and Paul Aron is in charge of the homecoming festivities. This group judges the homecoming decorations made by the various dormitories and Greeks. It is responsible for the Queen ceremony and welcomes the legislators and alumni to the highlight of the Rebel football season.

Brent Tinnin, serving as Chairman of the Department of Publicity, publicizes the activities of the various ASB committees on and off the campus. Handbill design and distribution are included in the duties of this group. This committee promotes interest and participation in campus affairs.

Elections Commission Supervises Balloting

*Front Row: Candy Croft, John Powers, Chairman; Cassie Wilson.
Second Row: Chip Williams, Robbie Decoux, Erskine Wells.*

JOHNNY POWERS
Elections Commission Chairman

The Elections Commission is a committee composed of seven commissioners which are appointed by the ASB President. They are responsible for all campus elections and are appointed to serve until graduation, resignation, or removal by the campus senate.

The elections held during the year were those concerning the Campus Senate, Homecoming Queen, Miss Ole Miss-Colonel Rebel, ASB officers, publications' editors, cheerleaders, and any other elections that pertain to student government. In addition, the Elections Commission supervises the elections of Favorites and the Senior Class Officers.

Seated: David Houston, Chairman; Patty Canty. *Standing:* Ralph Hemphill, Tommy Walman, Betsy Buchholz, Winnie Smith.

Judicial Council Hears Student Cases

The Judicial Council, which came into being in 1951 and revised in the past year, hears practically all cases of discipline in which students are involved, and is the final authority in interpreting the ASB Constitution. It also handles appeals from other judicial bodies. The Council consists of an elected chairman and both male and female members appointed by the ASB President.

When a case is heard, the student involved is notified and given an opportunity to present both his side of the

case and any circumstances he feels should be considered. He may bring any witnesses. This year students can be assisted by a member of the Judicial Bar. Almost without exception, the recommendations of the Council to the Dean of Students are followed.

The Council operates on the basis of searching for truth and arriving at decisions which take into account the good of the University and the good of the individual involved.

Senate Legislates Student Ideas

The combined abilities of the elected campus senators is the strong foundation on which the student government of the University of Mississippi is built.

Representing every phase of the student body, the Greek fraternities, dormitories, districts of married students, apartments, and day students, the senators debate, and vote upon bills and resolutions brought before it.

The Student Loan Fund, the disuse of costumes in elections, and the reprimanding letter written in answer to the accusation made by the *New York Times Magazine*, that "Ole Miss students are the empty-headed sons and daughters of wealthy bankers," are a few examples of the legislation enacted by the 1967-68 session of the campus senate.

The capable leadership of Ralph Vance, Campus Senate President, and that of Carson Hughes, president pro-tempore proved invaluable. And behind all great men there is a great woman, Miss Nai-Nai Everett, parliamentarian.

Associated Women Students

CALICO MAXWELL
AWS President

The Associated Women Student Body, which is composed of all undergraduate women students, is a self-governing association within the Associated Student Body. Heading the organization are the Executive Council with six popularly elected officers, a Judicial Council with four appointed and two elected members, and a President's Council composed of dormitory and sorority house presidents.

This year the AWS has continued to improve the structure of its organization. In addition, the AWS has worked to implement an effective orientation program for freshmen, and it has endeavored to create an awareness of the cultural advantages offered by the University. The principle accomplishment of the AWS for the past year was the passing of a new regulation concerning women's curfew, raising the old limit of ten thirty on week nights to the new time of twelve o'clock.

Executive Council—*Seated*: Calico Maxwell, Betty Brown Mc-Alexander. *Standing*: Susan Reed, Cindy Morrison, Mary Louise Cissna, Carolyn Phillips, Sue Windsor.

1968 Ole Miss Presents College Life As It Is

The 1968 OLE MISS presents the activities of the University in a new style but much of the tradition of the University has been maintained. We, the staff, have worked hard to produce a yearbook of which every Ole Miss student can be proud.

The opening section of thirty-two pages of color and black and white is one of the features that we feel the student body will enjoy. In addition to the familiar captions under the pictures, we have attempted to tell a little more

about the student life at Ole Miss in the opening section.

Many sections of this book were compiled by computed programs developed at the University's Computer Center. These programs gave the staff the fastest and most accurate means ever used in composing the OLE MISS.

In planning, compiling, and editing the copy and pictures that make up this yearbook, we never stopped trying to make it better. We think we have succeeded and produced something all will appreciate and enjoy.

Mississippian Returns to Greatness

The Daily Mississippian returned to the greatness this year that it once held. The staff spent many days and nights at the Journalism Building putting out an excellent paper five days a week.

The staff presented the news to the students in a most commendable manner. The news was presented in an unbiased form which is unusual for publications of this nature. Of great interest to the students was the handling of the Power Grab in the spring elections.

Most staff members do most of their work after 11:00 each night and such devotion certainly has paid off.

Moot Court

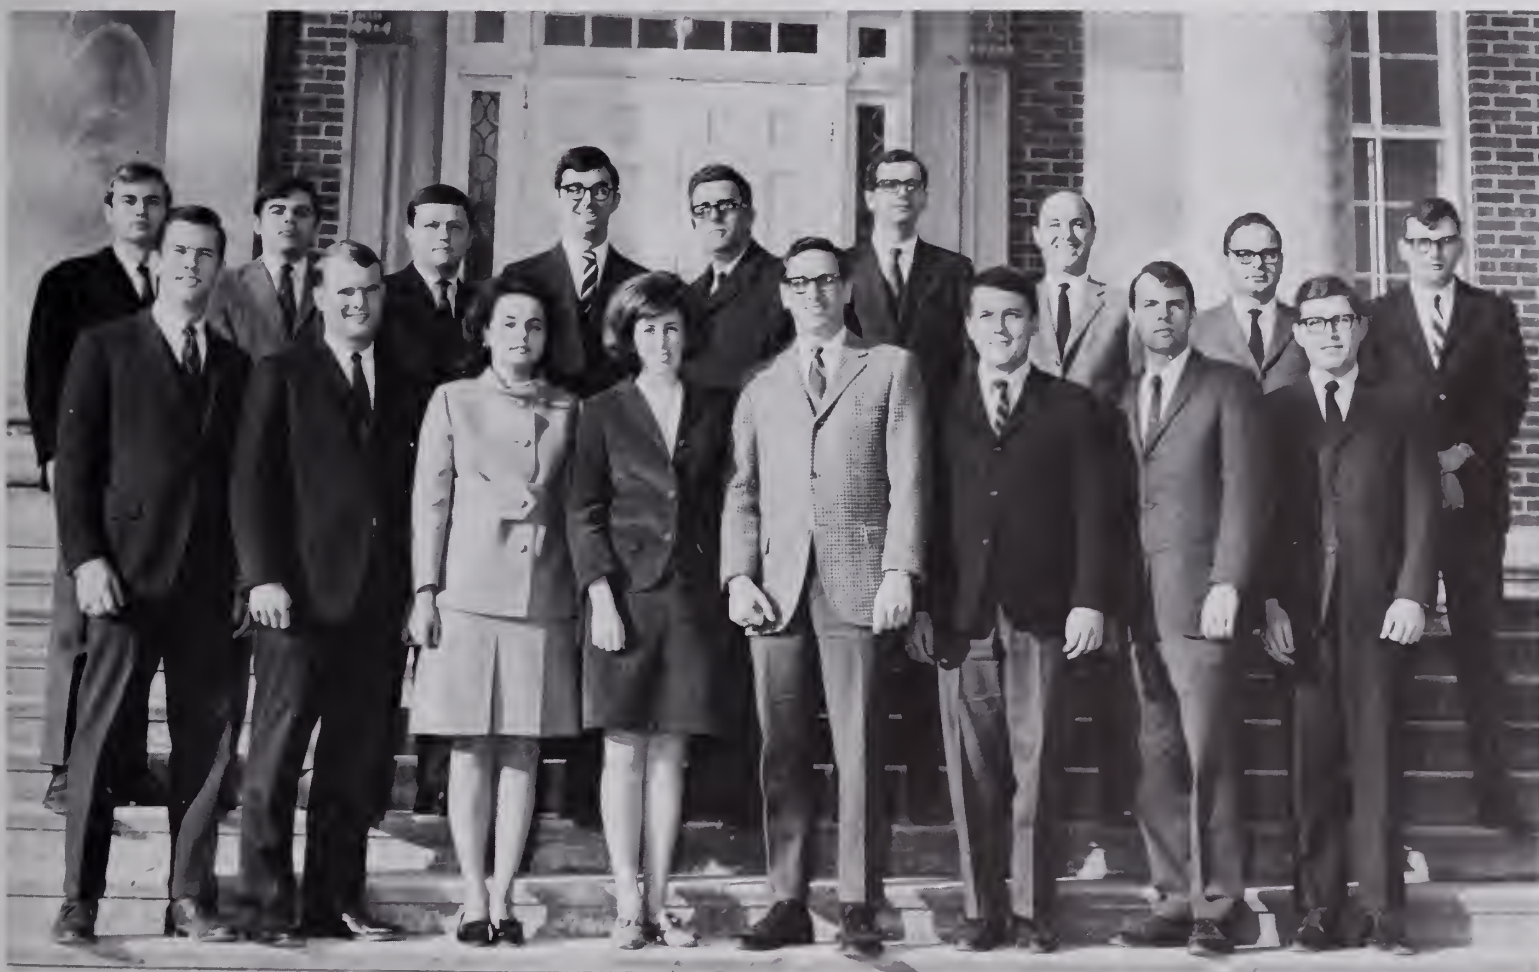

The purpose of the Moot Court Program is to provide the law student with some practical understanding of the highly technical theory which characterizes his academic training while at the Law School. Each student is required to participate in both Appellate and Circuit Court Programs conducted by the Moot Court Board.

The Moot Court Board is composed of students selected by the Law School faculty on the basis of academic standing. Thus constituted, the Board supervises the Moot Court Program, schedules the hearing of cases before practicing attorneys or Judges, and helps the individual participants in the preparation of their cases. The Board also conducts an annual competition of those selected for advanced argument before an appellate court composed of outstanding jurists of the area.

Mississippi Law Journal

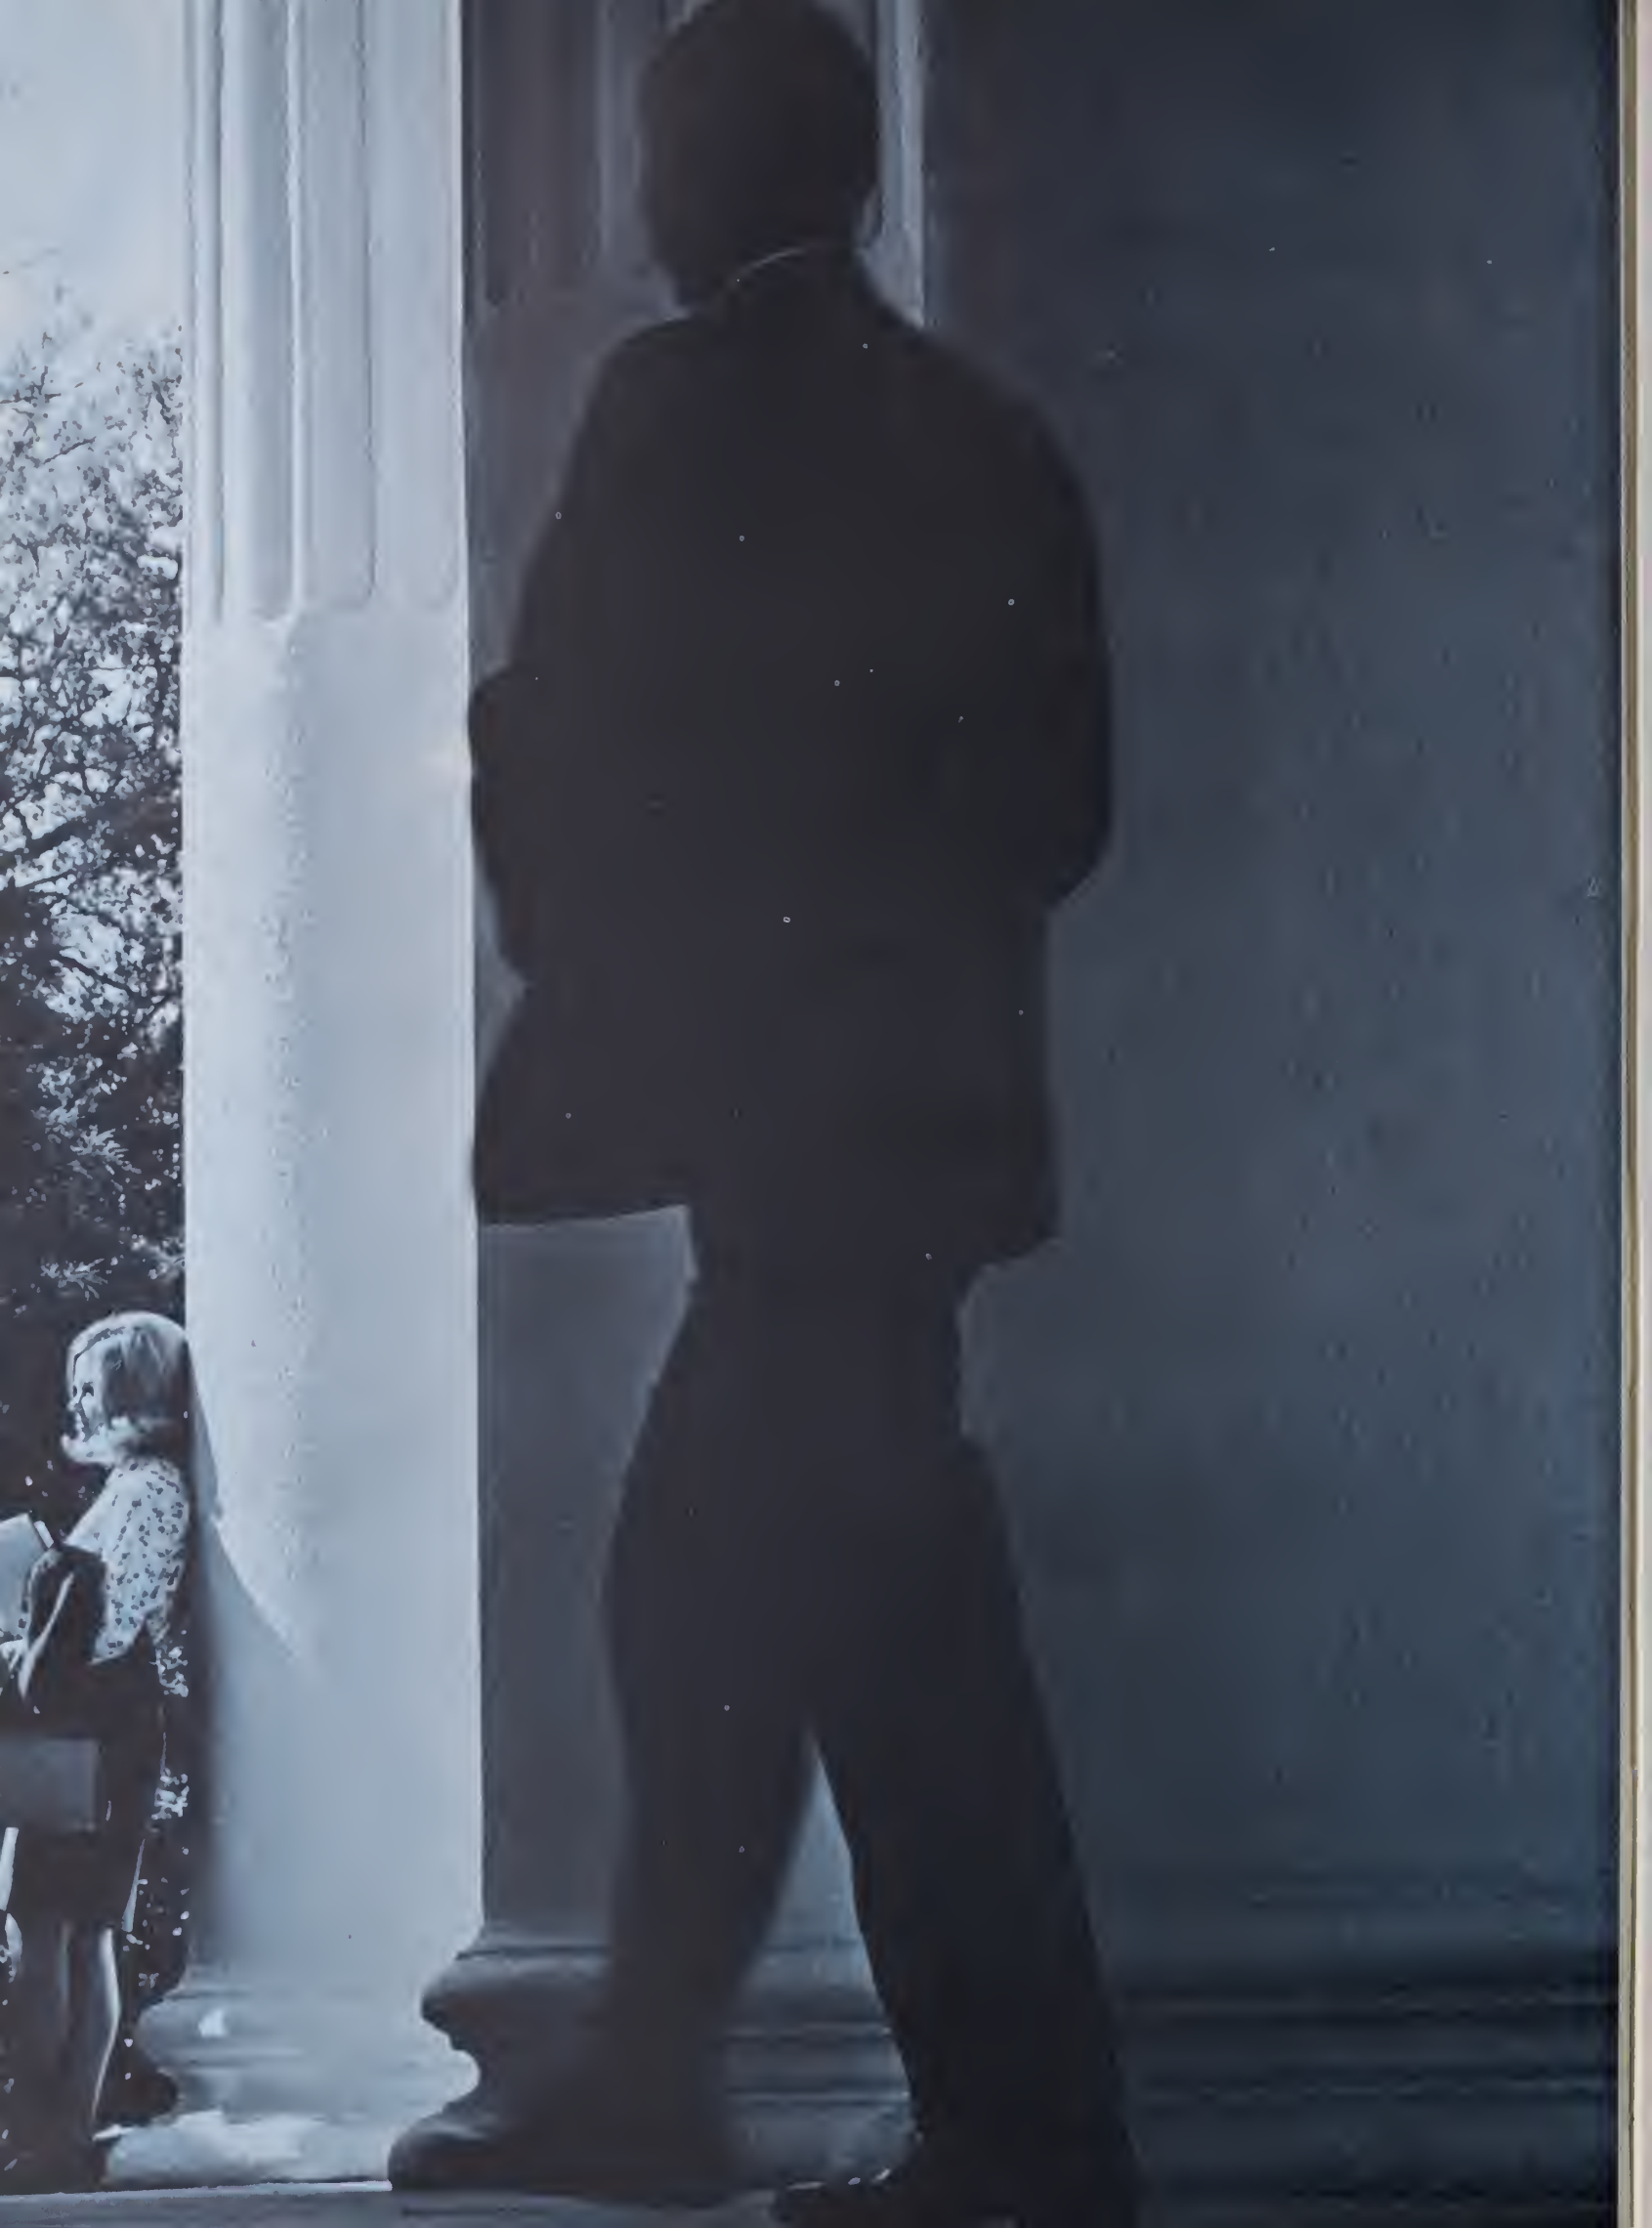

The Mississippi Law Journal, the official publication of the state bar association, is one of the largest legal periodicals in the nation. These issues contain articles by prominent legal writers as well as works by student staff members, the final issue being devoted to the proceedings of the state bar association. During the term of the state supreme court, the *Journal* staff prepares and distributes weekly advance sheets of the most recent Mississippi cases to members of the state bar and judiciary on a subscription basis.

The Law Journal is composed of students and one faculty member. Appointment to the *Journal* is a high honor since members are selected from the top ten percent of their class. Each staff member contributes one article of current legal interest during his first year and a longer, more scholarly comment his final year.

Alpha Epsilon Delta is an international honorary pre-medical fraternity organized to encourage excellence in premedical work and to advance the interests of college students in this field. Membership is open to all premedical or predental students maintaining 3.0 grade average over three semesters of work in any approved college or university.

Founded first at the University of Alabama, Tuscalousa, Alabama in 1926, Alpha Epsilon Delta was established at Ole Miss in 1938. The Mississippi Beta chapter serves as an organization of common interest, fellowship, and friendship among premedical and predental students. Since 1953 the Ole Miss Chapter has initiated 257 members. Dr. Young McGaha, serves as faculty advisor for the fraternity.

Alpha Lambda Delta

Membership in Alpha Lambda Delta, a national honorary society, is the highest scholastic tribute for freshmen women. To be eligible for membership, a woman student must have achieved a 3.5 average during either the first semester or the first year of college work. New members are initiated in the spring of their freshman year at the annual banquet. At this banquet Alpha Lambda Delta presents an award to the graduating senior member maintaining the highest average. In April the chapter initiated the largest group composed of thirty-two girls.

The purposes of Alpha Lambda Delta are to encourage superior scholastic attainment among freshmen women and to promote a high standard of learning at Ole Miss. An outstanding project of Alpha Lambda Delta is the sponsoring of a Christmas tea with Phi Eta Sigma for the purpose of recognizing all freshmen who have achieved at least a 3.0 average for their first mid-term grades.

 Secretary-TreasurerERNEST NOLAN WALLER

Alpha Chapter of Beta Gamma Sigma, national honor society for men and women in the schools of commerce and business administration, was chartered in 1944 at Ole Miss. Only in institutions which are members of the American Association of Collegiate Schools of Business, are chapters of this honor society established.

Beta Gamma Sigma members are students with high scholarship in the School of Commerce. To be eligible for membership, seniors must be in the upper ten per cent of their class, and have not less than a 3.2 grade average; second semester juniors with exceptionally high scholastic standing are also eligible for membership.

The purposes of Beta Gamma Sigma are to encourage and reward scholastic accomplishments among students of business administration; to promote the advancement of education in the art and science of business; and to foster integrity in the conduct of business operations.

Beta Alpha Psi

The national honorary and professional fraternity in the field of accounting was founded at the University of Illinois in 1919. Alpha Theta Chapter, one of the 64 outstanding chapters nationwide, was installed at the University of Mississippi in 1951. The fraternity was established for the purpose of encouraging and fostering the ideals of scholarship and service as the basis of the accounting profession and for developing high moral, scholastic, and professional standards for its members and the profession in general.

The fraternity limits its membership to outstanding upperclassmen in accounting who have demonstrated their scholastic ability and high moral character. Prospective members must be an accounting major, have completed 12 hours in accounting with a 3.0 average, have an over-all 2.5 average, and have made a "B" or better in either Accounting 205 or 206.

Mortar Board

Founded in 1918 at Syracuse University, Mortar Board symbolizes "Opportunity and Achievement" for those senior women who have attained the highest standards of scholarship, leadership, and service. Tassels Chapter members have proudly displayed the white blazers and Mortar Board insignia here at Ole Miss since 1936. This year, in honor of the organization's fiftieth anniversary, Tassels Chapter hosted the meeting of the seven chapters in Section VIII.

The society ushers in the school year with its sale of calendars which contain a specially prepared schedule of the year's events. Other Mortar Board activities include giving scholarships to freshmen women with a 4.00 average first semester, cooperating with Omicron Delta Kappa in bringing outstanding speakers to Ole Miss for the ODK-Mortar Board Forum Series, aiding needy families in the campus area at Christmas, and compiling a "summer reading list" of books suggested by Ole Miss professors for high school students planning to attend the University the next year.

Mortar Board's activities keep its members busy.

Omicron Delta Kappa

The purpose of the Omicron Delta Kappa Society is threefold: first, to recognize men who have attained a high standard of efficiency in collegiate activities and to inspire others to strive for conspicuous attainments along similar lines; second, to bring together the most representative men in all phases of collegiate life and thus to create an organization which will help to mold the sentiment of the institution on questions of local and inter-collegiate interest; third, to bring together members of the faculty and the student body of the institution on a basis of mutual interest and understanding.

Although Omicron Delta Kappa is primarily an honorary organization it performs many services to the University and its students. The principal project is the Omicron Delta Kappa-Mortar Board Forum Series which has brought to the campus such noted speakers and internationally known figures as Arthur Schlesinger, Harry Reasoner, J. P. Coleman, and Vera Micheles Dean. Another service of Omicron Delta Kappa is its Foreign Scholarship Fund which is awarded to one of the foreign students on campus who meets certain standards and who is in need of financial assistance.

The Iota Chapter of CWENS on the Ole Miss campus is a national organization for sophomore women. The purpose of the CWENS chapter is to promote scholarship and leadership among the women students and to render service to the University. To qualify for membership in this organization, a girl must have been outstanding in leadership in campus activities as well as achieving at least an over-all 2.5 grade average during her freshman year.

The girls of CWENS serve the Ole Miss campus in various ways. One of the projects this year was a Christmas project for soldiers in Viet Nam. The familiar red blazers and gray skirts worn by CWENS have often been seen at the ASB concerts where the girls have served as ushers. CWENS serves the community as well as the student body.

Phi Alpha Theta

Phi Alpha Theta is one of the newest honoraries to come to Ole Miss. The Kappa Alpha Chapter was established on the campus in 1964. It is, however, one of the old, established fraternities, and membership in it has always been highly prized. The organization publishes a scholarly magazine, *The Historian*, which is sent to all new members.

The fraternity meets several times each semester. During the course of these meetings both students and faculty present papers of general interest in the wide area covered with the field of history.

Membership in Phi Alpha Theta has been described as second only to membership in Phi Beta Kappa among the scholastic honoraries, and requirements include a minimum of twelve hours of history with a B average (3.0) in these courses. People qualified for membership in Phi Alpha Theta is small, but this honorary is one which is expected to grow with an ever-growing university.

Phi Eta Sigma

Phi Eta Sigma was founded at the University of Illinois on March 22, 1923. Since its founding the fraternity has grown to over 140 chapters, in both large and small colleges, and membership in Phi Eta Sigma is now recognized as one of the highest honors a male freshman can attain. Beta Chapter of this fraternity was established at Ole Miss in 1930, making the local chapter thirteenth in order of founding.

The society does not perform public service projects; its sole purpose is the recognition of outstanding academic achievement, encompassing all fields of academic pursuit. Phi Eta Sigma encourages people to think, and a banquet is held each year at which a noted speaker attempts to provoke the minds of the members.

Freshmen men are eligible for Phi Eta Sigma if they accumulate a 3.5 over-all grade point at the end of the first or second semester of their first year. There is no other way or time for a person to join Phi Eta Sigma. Being selected for this honorary is a tremendous achievement for a freshman, and this honor is emphasized by his retaining active membership throughout his college career.

Phi Eta Sigma sponsors only two functions during the year: "Freshman Honor Party" held in conjunction with the women of Alpha Lambda Delta, and the previously mentioned initiation and banquet held in the spring.

Phi Delta Chi

Nationally known Pharmaceutical fraternity of Phi Delta Chi was established on our campus in 1927. It was first established at the University of Michigan, Ann Arbor, Michigan in 1833. The fraternity became inactive in 1927 but was reactivated in 1951. Since its re-establishment the fraternity has been growing constantly.

Brotherhood and hard work are the two-fold purposes of the Alpha Epsilon Chapter. Working together to keep the high ideals of the pharmacy profession through good fellowship and cooperation, its students are those of outstanding ability in the School of Pharmacy.

Students in Pharmacy, after working with books, pills, powders, and labs, find time for social activities. They have performed such services as placing reference books in the senior dispensing lab for the benefit of all of the pharmacy students.

Phi Kappa Phi

The University of Mississippi Chapter of Phi Kappa Phi, national honorary scholastic fraternity, was chartered in 1959. The chapter admits to membership juniors and seniors of superior scholastic attainment. These students must have maintained a minimum average of 3.7 for more than 90 hours. Phi Kappa Phi recognizes scholarship in all areas of academic endeavor, and election by the University's chapter signifies the highest scholastic achievement.

The fraternity elects members twice yearly. The spring semester initiation is followed by a banquet, honoring all members elected during the academic session. The banquet is marked by an address given by a distinguished visitor.

In the spring of 1963, the National Engineering Honor Society, Pi Beta Tau Association, was founded to recognize those who have conferred honor upon their university by outstanding scholarship and exemplary character as undergraduates in the School of Engineering.

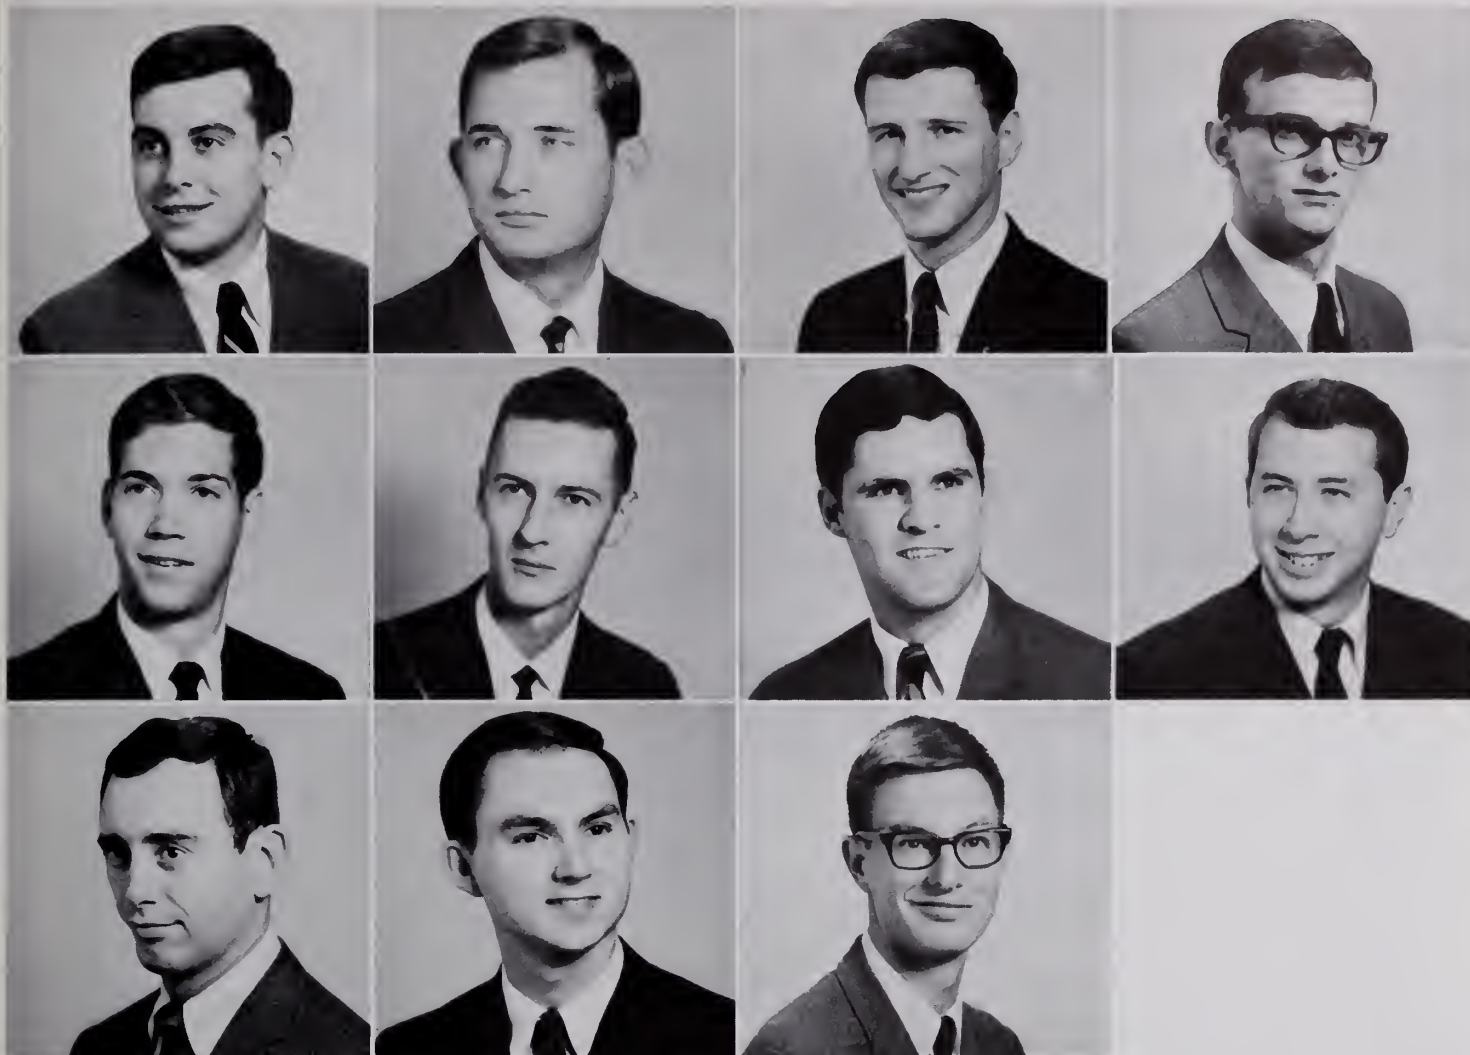

Patterned after the national engineering honor society, Tau Beta Pi, eligibility for membership is determined by one's character, personality, practicality, and scholarship. Seniors must be in the upper fifth of their class, and juniors in the upper eighth of their class.

This year Pi Beta Tau prepared and sent to the National Tau Beta Association, a petition requesting membership. The Association does much to develop a unified spirit among those in the engineering profession, and to serve as a guiding influence to prospective engineering students in high schools of the state.

Pi Sigma Alpha

A national honorary fraternity in political science, Pi Sigma Alpha, has had a chapter here since 1948. The goals of the organization include fostering great interest in the study of political science, promotion of knowledge in the field of government and politics, and the increased awareness of current events and their implications. Another purpose is the bringing together of faculty and student members for the exchanging of ideas and concepts. To provide opportunities for this, meetings are scheduled several times a semester, each time presenting a thought-provoking program.

Initiations are held each semester for those students meeting the requirements of having a minimum of twelve hours of political science with a 3.0 average in each course, and an over-all grade point of 2.5.

Chi Epsilon

An honorary fraternity for civil engineers, Chi Epsilon was founded at the University of Illinois in 1922. Since its founding the number of chapters has increased to over sixty chapters, with 18,000 initiated members.

The purpose of Chi Epsilon is to recognize the student who exemplifies the four traits of the successful engineer, the cornerstone upon which Chi Epsilon is founded: scholarship, character, practicality, and sociability.

Membership is limited to junior, senior, and graduate students who have maintained a scholastic average in the upper one third of their class and who have exemplified the four traits of Chi Epsilon.

Epsilon Gamma Epsilon

Men and women in office administration may become affiliated with Epsilon Gamma Epsilon, founded at the University of Mississippi in 1951. Epsilon Gamma Epsilon emphasizes four phases of activity—the professional, the fraternal, the honorary, and the social. Its chief purpose is to promote the ideals and concepts of higher education in office administration which will contribute to the preparation of men and women for office occupations and for teaching in the field of business education.

Membership in the organization is based on character, leadership, and scholarship.

Kappa Epsilon

A national professional fraternity organized to unite women students of pharmacy, Kappa Epsilon seeks to cooperate with the faculty, to stimulate in its members a desire for high scholarship, to foster a professional consciousness and to provide a bond of lasting loyalty, interest, and friendship.

In 1960, the Alpha Gamma Chapter was founded at Ole Miss. Collegiate members must be enrolled in the undergraduate professional curriculum or graduate program in the college of pharmacy.

Activities of the fraternity include regular business and social meetings and participation in pharmacy affairs.

Formed in 1962, the association applied for official University recognition in November of 1967. Students interested in pursuing graduate study in the Department of Economics, Business Administration, and Accounting compose this group.

Numerous professional leaders from pertinent fields are invited to speak before the group on planned occasions. During the past school year the organization was indeed fortunate to hear such business leaders as Mr. William King Self, President, Riverside Industries, Marks, Mississippi; Dr. Linddon McPeters, President, Mississippi Bankers Association; Mr. Leslie Darden, President, Mississippi Economic Council; and Mr. Nat Roger, President, Deposit Guaranty National Bank, Jackson, Mississippi. Presently, the club consists of forty participating members who periodically meet, either formally or informally, for the purpose of facilitating the exchange of ideas in an academic atmosphere.

Alpha Phi Omega

Students who wish to be of service to their fellow man may join Alpha Phi Omega, a National Service Fraternity. Students who have been affiliated with the Boy Scouts of America sometime during their life are eligible for membership. Service to the campus, community, and nation are the main purposes of Alpha Phi Omega. At Ole Miss, membership of Epsilon Omega Chapter serve as ushers for many campus events, provide a Student Ride Board, work with the March of Dimes, and operate a student book exchange, where students may buy and sell their books at student prices. The members work with the citizens of Oxford in promoting better University-Oxford relations. The cardinal principles of Alpha Phi Omega are Leadership, Friendship, and Service.

Association of Urban and Community Planners

The Association members are graduate students in the Master of Urban and Regional Planning degree program under the Department of City Planning, the first independent graduate department of planning established in the United States. The purpose of the Association is to further planning interests in Mississippi and at the University.

The Association is working toward the accomplishment of two Mississippi Firsts. The Association researched and petitioned for the national establishment of a color distinctive of planning for use in academic heraldry, a national precedent. The second Mississippi First accomplished is the research and compilation of Mississippi laws affecting urban and regional planning in cooperation with the Department of City Planning at the University and the Mississippi Research and Development Center. This is the first work in depth in this area known in the United States.

Baptist Student Union

The Baptist Student Union is an organization of Baptist youth in higher institutions of learning, designed with the purpose of helping college students grow in their relations with Christ. Membership in BSU is gained by joining the local Baptist church or any unit of church activity such as Sunday School, Training Union, or Brotherhood.

While the BSU functions in and through the local church, it centers its planning and leadership in an Executive Council on the campus. Any Baptist student may be nominated for this Council. The BSU also functions through the Mississippi Baptist Student Convention and through the Southern Baptist Convention in worldwide activities. Through daily devotionals, prayer partners, consistent *Bible* study, church loyalty, and maximum Christianity, the Baptist Student Union serves the college community and strives to make Christ more alive on the campus.

The Committee of 100, an organization of students of all faiths who represent all areas of the campus community, sponsors the Religious Emphasis Speakers who are selected by the Planning Committee of the Committee of 100, a Standing Committee of the University.

The members of the Committee of 100 accept their responsibility in the knowledge that they speak for religion on the campus in bringing to Ole Miss outstanding speakers of different faiths. They plan the schedule of each speaker, making all the arrangements for him to be heard by students, faculty, and staff at convocations, in classrooms, and in informal question-and-answer periods.

The spirit and responsible attitude of Committee of 100 members tend to implant within the campus community an awareness of religious activity throughout the year.

Delta Theta Phi

Delta Theta Phi Fraternity was founded in 1900 and is the largest law fraternity in number of senates and the second largest in membership.

The Jefferson Davis Senate was chartered by Delta Theta Phi in August of 1967 with twenty-three charter members. Each year the Financiers Club at the University of Mississippi takes on new significance for students interested in banking and finance.

In the spring of 1961 the Financiers Club was organized by twenty-five students at the University of Mississippi to help bring together students who are interested in banking and finance.

Today this club has increased their membership greatly with students who come not only from the sophomore class, the junior class, and the senior class, but also from the graduate school.

The Financiers Club at Ole Miss is presently affiliated with the University's Chair of Banking. The organization is financially supported by the Mississippi Bankers Association.

Gamma Beta Phi

The Gamma Beta Phi Society was organized at the University of Mississippi during March of 1965, with the induction of thirty-one charter members. Since then, the chapter has extended considerably in both membership and its purpose of promoting scholarship, leadership, and good citizenship in the Ole Miss student body.

The society is non-secret, educational-service organization for students in colleges and universities. Its purpose is the advancement of educational ideals, the encouragement of scholastic effort, and the rewarding of academic merit among college students.

Gamma Beta Phi, in promoting its ideals and purposes, has instituted many useful service projects at Ole Miss, two of which are the establishing of a monitored study hall during final examinations and the recruiting of high school students in the state of Mississippi.

The Ole Miss branch of the Institute of Electrical and Electronics Engineers is a student branch of the international IEEE, the professional society in the field of electrical engineering. The membership of the student branch of IEEE includes electrical engineering majors and other students majoring in related fields.

The aims of the local branch are to encourage engineering advancement and achievement, to promote understanding between the students and the faculty members, and to serve as a liaison between the student and the professional engineer. The local chapter carries out these aims by hosting speakers from industries and other universities, by sponsoring trips to the sites of engineering activity, by participating in joint meetings with other chapters, and by individually aiding engineering students.

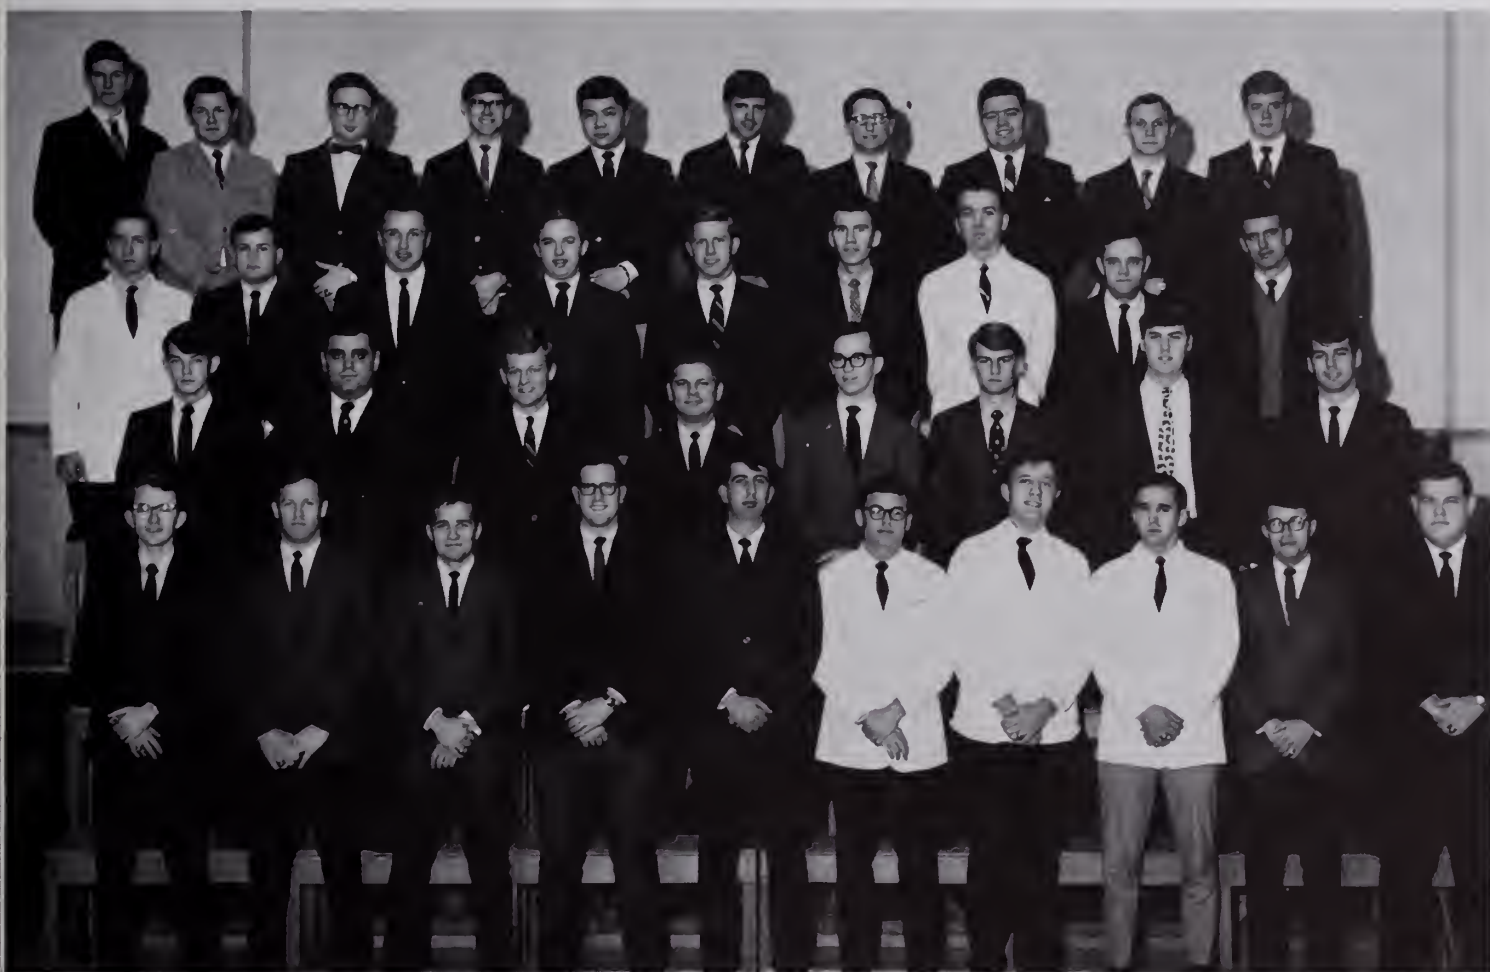

Kappa Psi

Kappa Psi Pharmaceutical Fraternity is a professional fraternity which limits its membership to pharmacy students in the professional program at schools or colleges of pharmacy that are accredited by the American Council on Pharmaceutical Education. Kappa Psi is the oldest and largest of the Greek letter pharmaceutical fraternities. It is one of the largest professional fraternities having more than twenty-two thousand members. The members are found in every state in the United States and in many foreign countries.

Two national awards are available to members for outstanding scholastic achievements. The men of Kappa Psi are chosen in recognition of their scholastic standing, general ability, character, personality, and activities. They must strive to exert their utmost efforts to preserve and further the high ideals which are always displayed by the pharmaceutical profession.

Newman Club

OFFICERS

PresidentRICHARD WILLIAMS
TreasurerJOHN MALATESTA

The Newman Apostolate at Ole Miss has taken a new approach to its tasks during the past two years. Through participation in the United Campus Ministry and in the spirit of the Ecumenical Movement, Newman has strived to broaden its scope, as it looks to the new horizon. The maintaining of an office in the "Y" building has afforded both the Catholic and the non-Catholic students greater availability to the truths and teachings of the Catholic Church. Newman, the church on campus, affords opportunity and satisfaction which must primarily be sought by the student before it can be attained.

All students, faculty, and staff are welcomed as a part of Newman, which has none of the barriers that might arise because of the difference in creed, color, culture, or country.

Ole Miss Y

The Ole Miss Y (YWCA-YMCA), a nondenominational lay Christian organization with voluntary membership open to all students, faculty, and staff, dates back to 1868. Members of the faculty and staff cooperate with students in their endeavor to develop a program of Christian fellowship which offers free-time activities and other services to aid significant cultural, vocational, intellectual, social, and recreational interests.

Special speakers, panel discussions, films, and drama are presented in bi-monthly meetings. The Y program is supported through voluntary contributions during the annual Y Finance Drive from students, faculty, staff, alumni, and friends. The Y sponsored several special projects this year. Articles from many different foreign countries were sold to students and faculty around Christmas. Also a foreign banquet was held during the spring. Dishes from different countries were served.

Pi Sigma Epsilon

OFFICERS

PresidentSCOTT LAWYER
TreasurerJAMES WATKINS

The national fraternity was chartered in 1952 and is "the National Professional Fraternity in Marketing, Sales Management and Selling." At the present time Pi Sigma Epsilon is the fastest growing fraternity of any kind in existence today.

Alpha Theta chapter was chartered at Ole Miss April 30, 1963.

Pi Sigma Epsilon requires that its members manifest an interest in the selling profession as a career, obtain the academic standing required for graduation, and show leadership qualities through participation in college activities. Its purpose is to create a collegiate brotherhood of men who are interested in the advancement of marketing, sales management, and selling as a career.

Alpha Theta Chapter is sponsored by the Sales and Marketing Executives of Jackson.

University Concert Singers

The University Concert Singers is a group of the best harmonizing voices in the South. The singers are selected from audition and are groomed by their director, Dr. James Coleman, to represent the University in off-campus productions.

Last summer the University Concert Singers attended Expo-67 in Montreal, Canada, where they delighted their international audience. "The Group," is a segment of the University Singers and will go to Europe in 1968 to perform for USO groups. The Singers at Ole Miss offer another outlet for the talented student to express himself at a well-rounded university.

University Dancers

OFFICERS

PresidentDOT McCOY
TreasurerKATHERINE SHAW

University Dancers is an organization designed to further the study of modern dance techniques and to give the members an opportunity to pursue compositional problems and to choreograph dances for performance purposes. Auditions for potential members are held at the beginning of each semester. Selection of dancers is based on skill in dance and composition.

During the first semester, the group presented a Christmas program in conjunction with the Department of Music. In February the Dancers attended dance concerts and workshops held at the Southern District A.A.H.P.E.R. Dance Section meeting in New Orleans. At one session student compositions were presented. During March the group traveled to Wood Junior College in Mathiston where they performed an evening concert of dance. Their annual Spring Concert was presented on April 30 and May 1.

Women's Recreation Association

"If education is a means of developing personality, equipping the mind, strengthening the body, learning skills, building character and creating an appreciation for beauty, then recreation has enormous educational values."

Individual and team sports have a valuable contribution to make to all who discover the fun, challenge, and adventure in playing them. Opportunity for every woman at the University to gain such riches in the realm of social pleasure, physical fitness, and educational opportunity is the aim of the Women's Recreation Association. As each girl benefits from play so does society, for a vigorous nation can only be composed of strong, joyous, and productive people.

Activities offered are: volleyball, basketball, bridge, badminton singles and doubles, tennis singles and doubles, and softball. Trophies for each sport and an over-all trophy is given.

Naval Science

The Naval Reserve Officers Training Corps was established at the University of Mississippi in June of 1946 for the purpose of training carefully selected young men for commissions as Ensigns in the United States Navy or as Second Lieutenants in the United States Marine Corps.

The Department of the Navy pays for four full years of college for those who are enrolled as Regular Students in the program. A student may become a Regular by passing nation-wide competitive examinations, both physical and mental. A student who fails in these tests may become a Contract Student by applying directly to the unit on campus.

For the fifth consecutive year the Navy Drill Team won the campus Army-Navy Drill Competition. This year was marked by the retirement of Captain Robert W. Slye, unit commander, after thirty-four years in the Navy.

Air Force ROTC

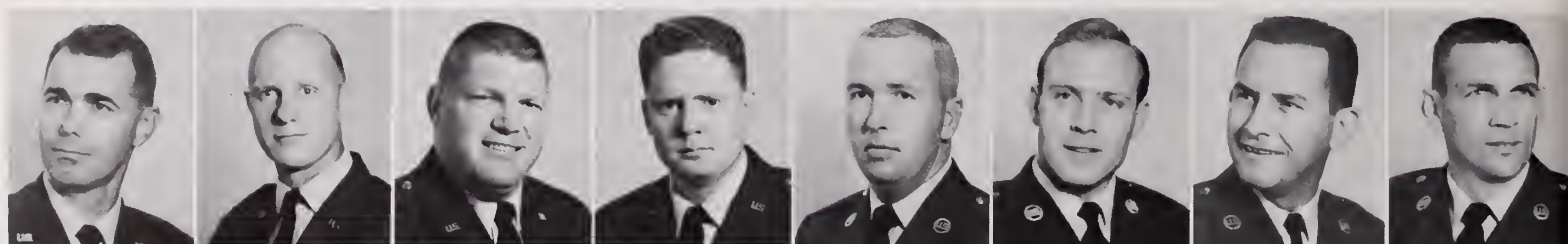

The Department of Aerospace Studies, a unit of the Air Force Reserve Officers Training Corps, falls under the joint jurisdiction of the University of Mississippi and the Department of the Air Force. The mission of Air Force ROTC is to commission career-oriented officers to meet specific U. S. Air Force requirements.

Air Force ROTC cadets in the four-year program may compete for scholarships that pay tuition, books, and laboratory expenses along with \$50 per month in subsistence.

Angel Flight is the co-ed auxiliary to and is sponsored by the Arnold Air Society. Its purposes are to promote interest in the Air Force, to obtain information concerning the military services, and to aid in the programs of the Arnold Air Society.

Panhellenic Council

OFFICERS

President	FAY TULLOS
Vice-President	CARLA CROSS
Secretary	JEANNE NECAISE
Treasurer	SUSAN SHARP

To promote inter-sorority cooperation, the members of the ten sororities at the University of Mississippi have organized a group known as the Panhellenic Council. Its main purpose is to promote understanding and cooperation among the members of the sororities and to regulate and enforce all rushing rules.

Always working for the good of the University, Panhellenic strives to promote fine intellectual achievement and scholarship, to maintain high social standards, and to promote worthy projects on and off the campus.

Rush must go on—rain, snow, or sleet.

Alpha Delta Pi

The oldest secret society for college women, Alpha Delta Pi was founded on May 15, 1851, at Wesleyan Female College in Macon, Georgia. Delta Sigma Chapter of Alpha Delta Pi was established on the Ole Miss campus on February 25, 1961.

The Alpha Delta Pi's are active in scholarship, leadership, and participate in all facets of university life. Alpha Lambda Delta, Gamma Beta Phi, Cwens, and Alpha Epsilon Delta are among the honorary fraternities in which ADPi's are members. Other organizations in which they take an active part are Committee of 100, Phi Beta Lambda, Kappa Epsilon, the *Mississippian* Staff, and WRA.

Also active in philanthropic areas ADPi contributes to the Cripple Children's Fund and the Heart Fund.

Phi Mu

The second oldest national sorority, Phi Mu, has a long and gracious heritage to uphold.

Phi Mu ranks high scholastically—Mortar Board, Cwens, Phi Kappa Phi members. Varsity cheerleader Connie Luckett and Freshman cheerleader Marilyn Blakeslee lead the Rebs. Angela Lord is Homecoming Maid. Pat Horne is Sigma Chi Sweetheart and Campus Favorite. Donna Edwards rates Top Ten Beauty and Kay McHarg is in the Top Five Beauties. Linda Lee Tribble reigns as Pilgrimage Queen. Pam Wright and Sue Windaor are finalists for Miss University. Phi Psi chose Carol Lemons as sweetheart while Leslie Westbrook and Pat Horne were chosen for Who's Who.

Three Phi Mus are Navy Sponsors and two sponsor the Army. Sue Windsor serves as secretary for AWS while Leslie Westbrook takes minutes for the Senior Class.

Yes, Phi Mu's are active also in Campus Senate, Elections' Commission, Committee of 100, and ASB Committees.

Pi Beta Phi

One hundred years ago twelve coeds at Monmouth College decided that they wanted to form a national organization for women because they had seen the enjoyment the men students were gaining from their fraternities. On April 28, 1867, they founded I. C. Sorosis, the first national fraternity for women. The Greek letters Pi Beta Phi were used as a secret motto, but in 1888, the younger members persuaded the older ones to use this as their name.

Pi Phi's here on the Ole Miss campus participate in a wide variety of activities such as Committee of the 100, WRA, Ole Miss "Y", Phi Beta Lambda, Alpha Lambda Delta, BSU, Newman Club, Wesley Foundation, Phi Gamma Nu, Gamma Phi, Young Democrats, and Young Republicans.

Outstanding Pi Phi's include Sara Sue Ritchey, Mississippi's delegate to the National College Queen contest; Barbara Cox, President of CWENS; and Cindy Morrison, AWS Treasurer.

Zeta Tau Alpha

Gamma Delta Chapter brought the turquoise, blue, and steel gray of Zeta Tau Alpha to Ole Miss on April 14, 1939, making it the fifth women's social organization on campus. Founded on October 15, 1898, at Longwood College, Farmville, Virginia, the fraternity is the only National Panhellenic Conference group chartered by a special act of legislature.

Zetas participate in all facets of Ole Miss life. Kem Eisiminger serves as an Army sponsor, and Bettie Young was chosen as Navy sponsor. Mary Louise Cissna is Panhellenic's publicity chairman, while Kaye Foster serves as secretary of Mortar Board. Zetas are represented in other honorary organizations, CWENS, Alpha Lambda Delta, and SAI.

During Homecoming, Zeta held its first football game between the Zetas and the Zeta houseboys—complete with Homecoming Queen, housemother, Mama Wood.

Interfraternity Council

The organization designed to regulate and govern the activities of all social fraternities on the University campus is the Interfraternity Council. The primary function of the IFC is to serve as a governing of the seventeen fraternities. It is composed of two representatives chosen from each fraternity and is governed by four officers elected from the membership of the council itself. The council meets bi-monthly to discuss the mutual problems of the fraternity system. Another duty of the council is carried out each year in the planning, setting up, and enforcing the rules for fraternity rush.

Alpha Tau Omega

The first fraternity founded after the Civil War, Alpha Tau Omega, was founded in 1865 by three Confederate veterans. It is one of the oldest and largest fraternities and now has 128 chapters coast to coast and over 95,000 initiates. Coming to Ole Miss in 1927, Mississippi Delta Psi Chapter has since grown in size and prestige. Spirit and enthusiasm are shown by members participating in many campus activities, such as student government, military organization, religious and honorary groups.

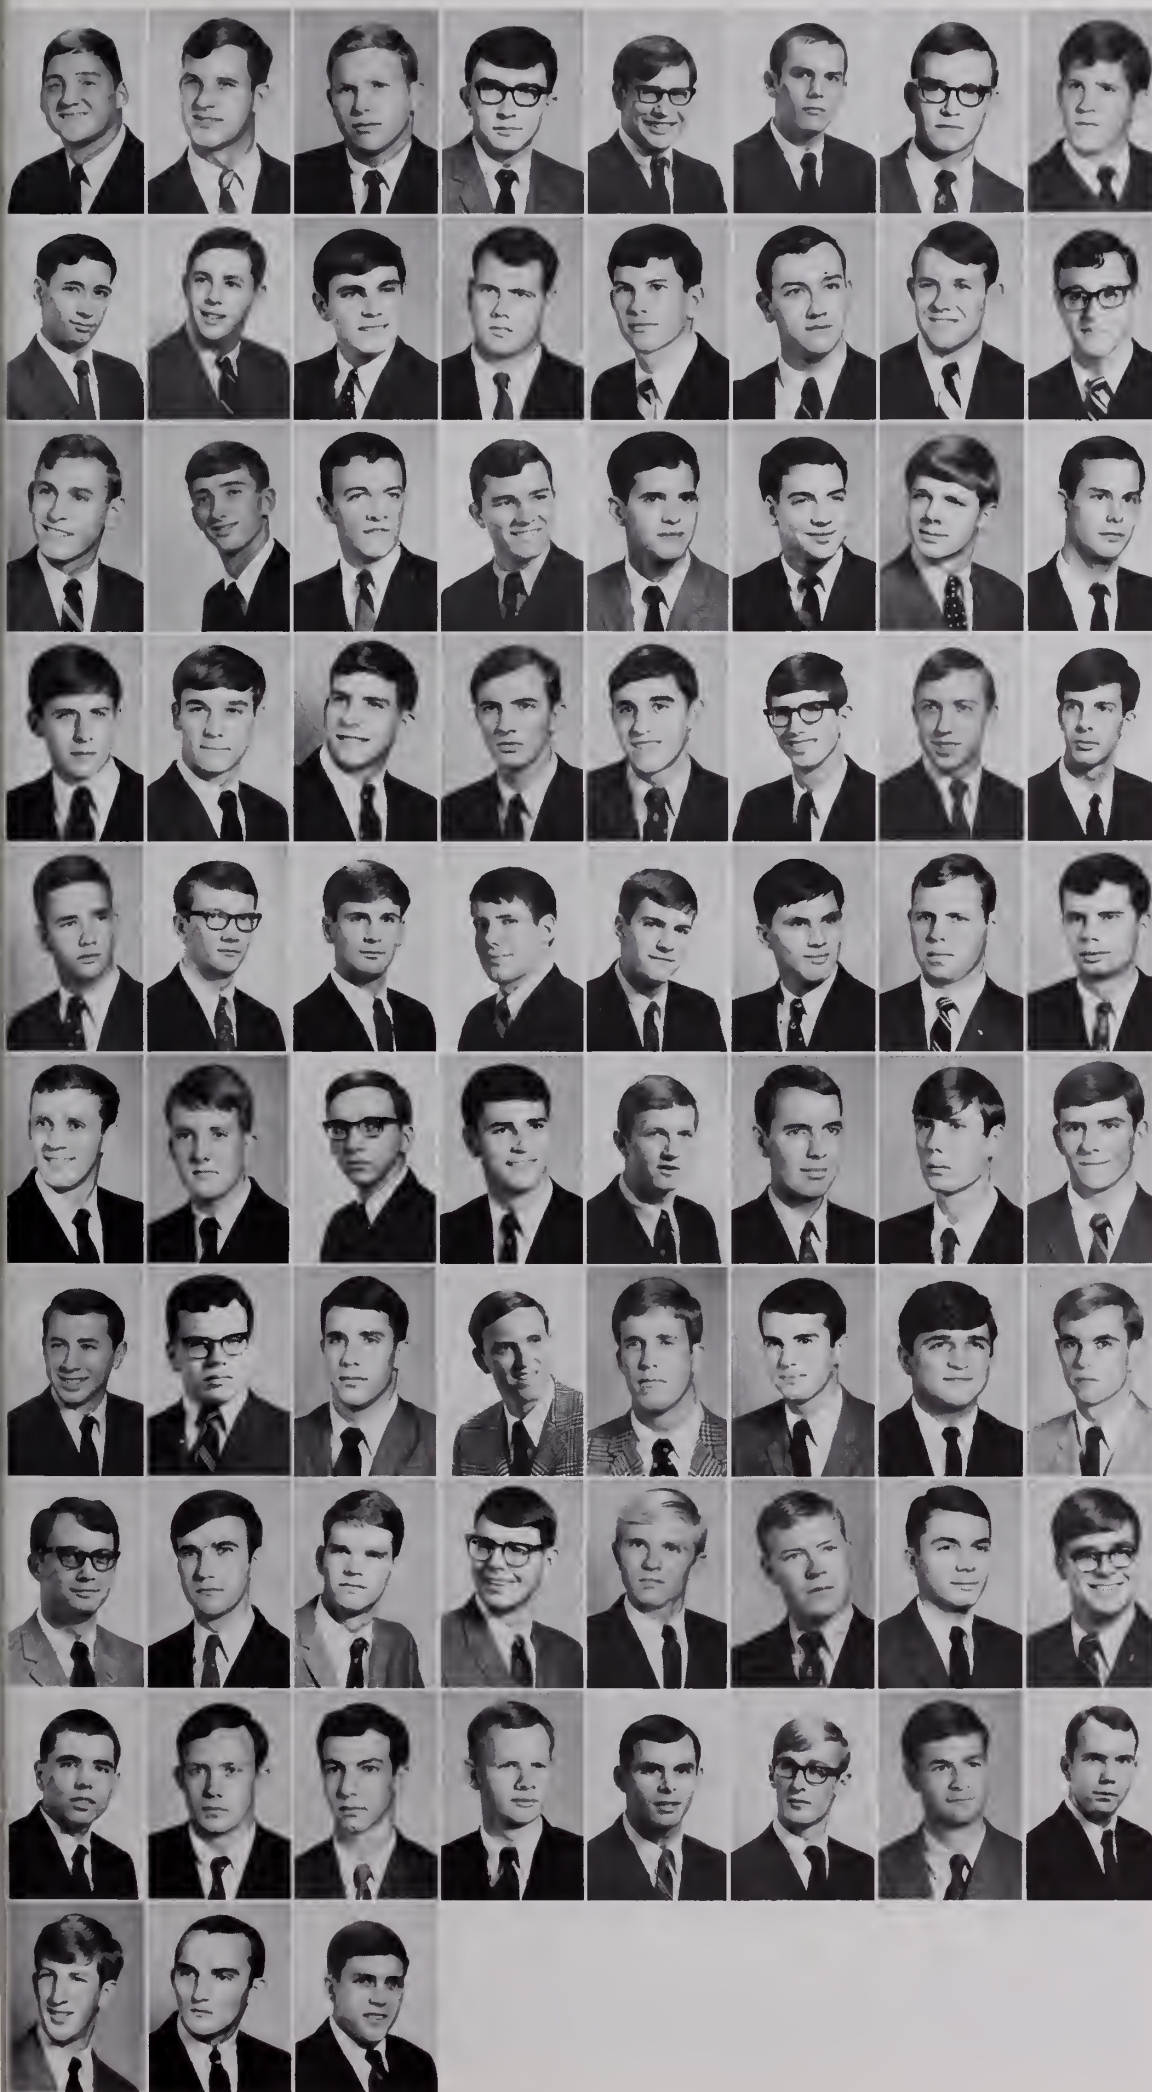

The ATO's are proud of their work on campus. In 1950 they originated "Help Week" wherein challenging community service projects are substituted for humiliating "Hell Week" activities. The ATO's entertain annually with their Viking Party and Spring Formal being the main social events. They also sponsor numerous swaps, serenades, teas, and other events.

Beta Theta Pi

Miami University in Ohio claims the birthplace of Beta Theta Pi. Since 1839 the Betas have established 104 chapters and 75,000 living members.

Beta Beta Chapter arrived at Ole Miss in 1879 and has been a leader in scholarship and campus leadership. Four Summa Cum Laude awards from NIC have been earned for scholarship since 1962.

Prominent alumni include James Arness of TV's "Gunsmoke," William O. Douglas of the U.S. Supreme Court, Don Finsterwald, pro golfer, Congressman Jamie Whitten, and Jerry Lucas of the Los Angeles Lakers.

Socially the Homecoming Party, Spring Formal, and Wild West Weekend are highlights along with the usual assortment of theme parties and important get-togethers.

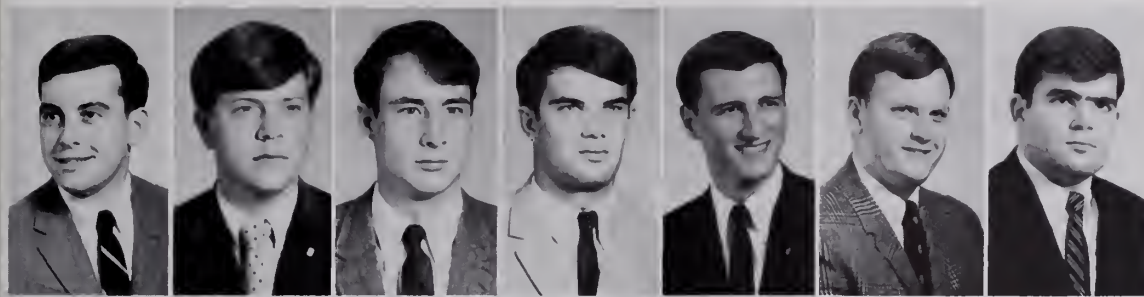

With goals of friendliness and trust in mind the Betas continue to grow at Ole Miss.

Delta Kappa Epsilon

Chi Chapter of Delta Kappa Epsilon started a tradition of great social fraternities by becoming the first at Ole Miss on April 14, 1850. Chi was the seventh Deke Chapter in the land following its founding at Yale in 1844.

The Dekes have helped mold the University and its way of life since the very beginning. Henry Minor Frasier founded the Ole Miss School of Pharmacy and William Benjamin Lowry captained the University Greys in the Civil War. Other prominent Dekes of this chapter and across the country include the late John W. Kyle, Mississippi State Supreme Justice; and Theodore Roosevelt and Rutherford B. Hayes, Presidents of the United States.

Delta Psi

Phi Chapter of Delta Psi was established at Ole Miss in 1855, eight years after the national fraternity was founded at Columbia University.

In its one hundred and twelve tradition filled years at Ole Miss, Delta Psi, or St. Anthony Hall as it is sometimes called, has contributed much to both the state and the university. Judge William Hemmingway, compiler of the Hemmingway Code and first captain of the Rebel football team, was a Delta Psi. Other illustrious alumni include Judge Garland Lyell, first editor of the OLE MISS; and the late Walter Sillers, Speaker of the House.

St. Anthony Hall, which built the first fraternity house in Mississippi and lost its second house by fire two years ago, now has a third new hall.

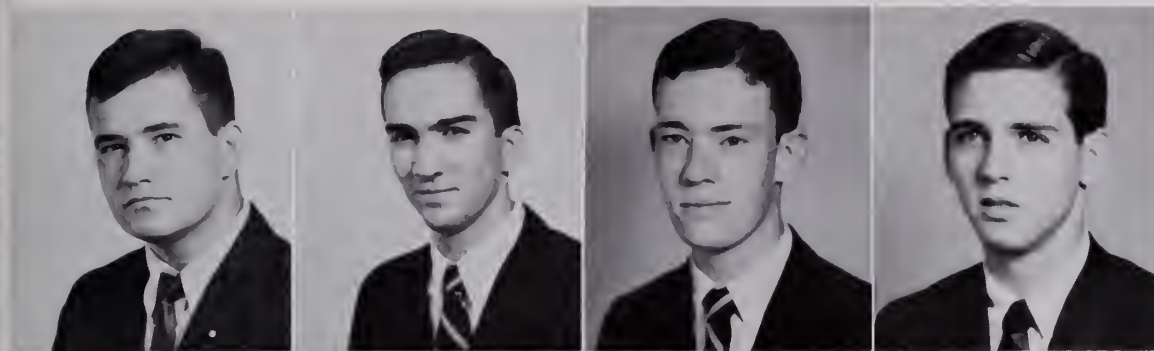

One of the last of the old line ivy league fraternities, Delta Psi retains traditional secrecy, high scholastic achievement, and nameless leaders.

Delta Tau Delta

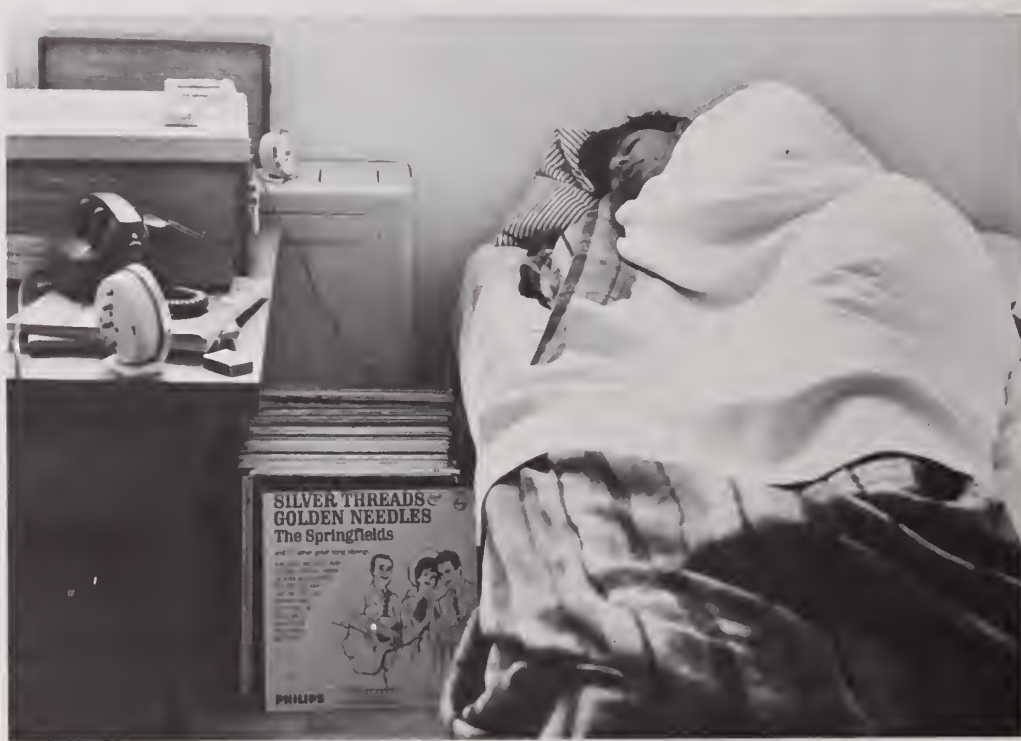

Delta Tau Delta Fraternity was founded as part of the "Ohio River Group" at Bethany College, in what is now West Virginia, in 1858. Indirectly, Delta Tau was the first national fraternity on the Ole Miss Campus with the Rainbow Fraternity being formed in 1848 and consolidating with Delt nationally in 1886. The old Delta Shelter was located on the corner of Fraternity Row and Confederate where the Delta Psi house now is.

Delta Tau Delta grew rapidly after its formation, and now boasts 97 chapters, over 6,000 active undergraduates, and over 65,000 total active membership. This fall, DTD returned to campus after an absence of 26 years, pledging 14 members at formal rush and increasing their brotherhood through open rush through the year.

Alumni support for the Pi Chapter at Ole Miss is intensely enthusiastic, and plans have been formulated for a large Southern heritage-styled manor which will house forty brothers, with provisions for future expansion.

Kappa Alpha Order

December 7, 1865, at Washington and Lee University Kappa Alpha Order was born and developed under the watchful eye of General Robert E. Lee, whose gracious and knightly life is inscribed in the customs of Kappa Alpha.

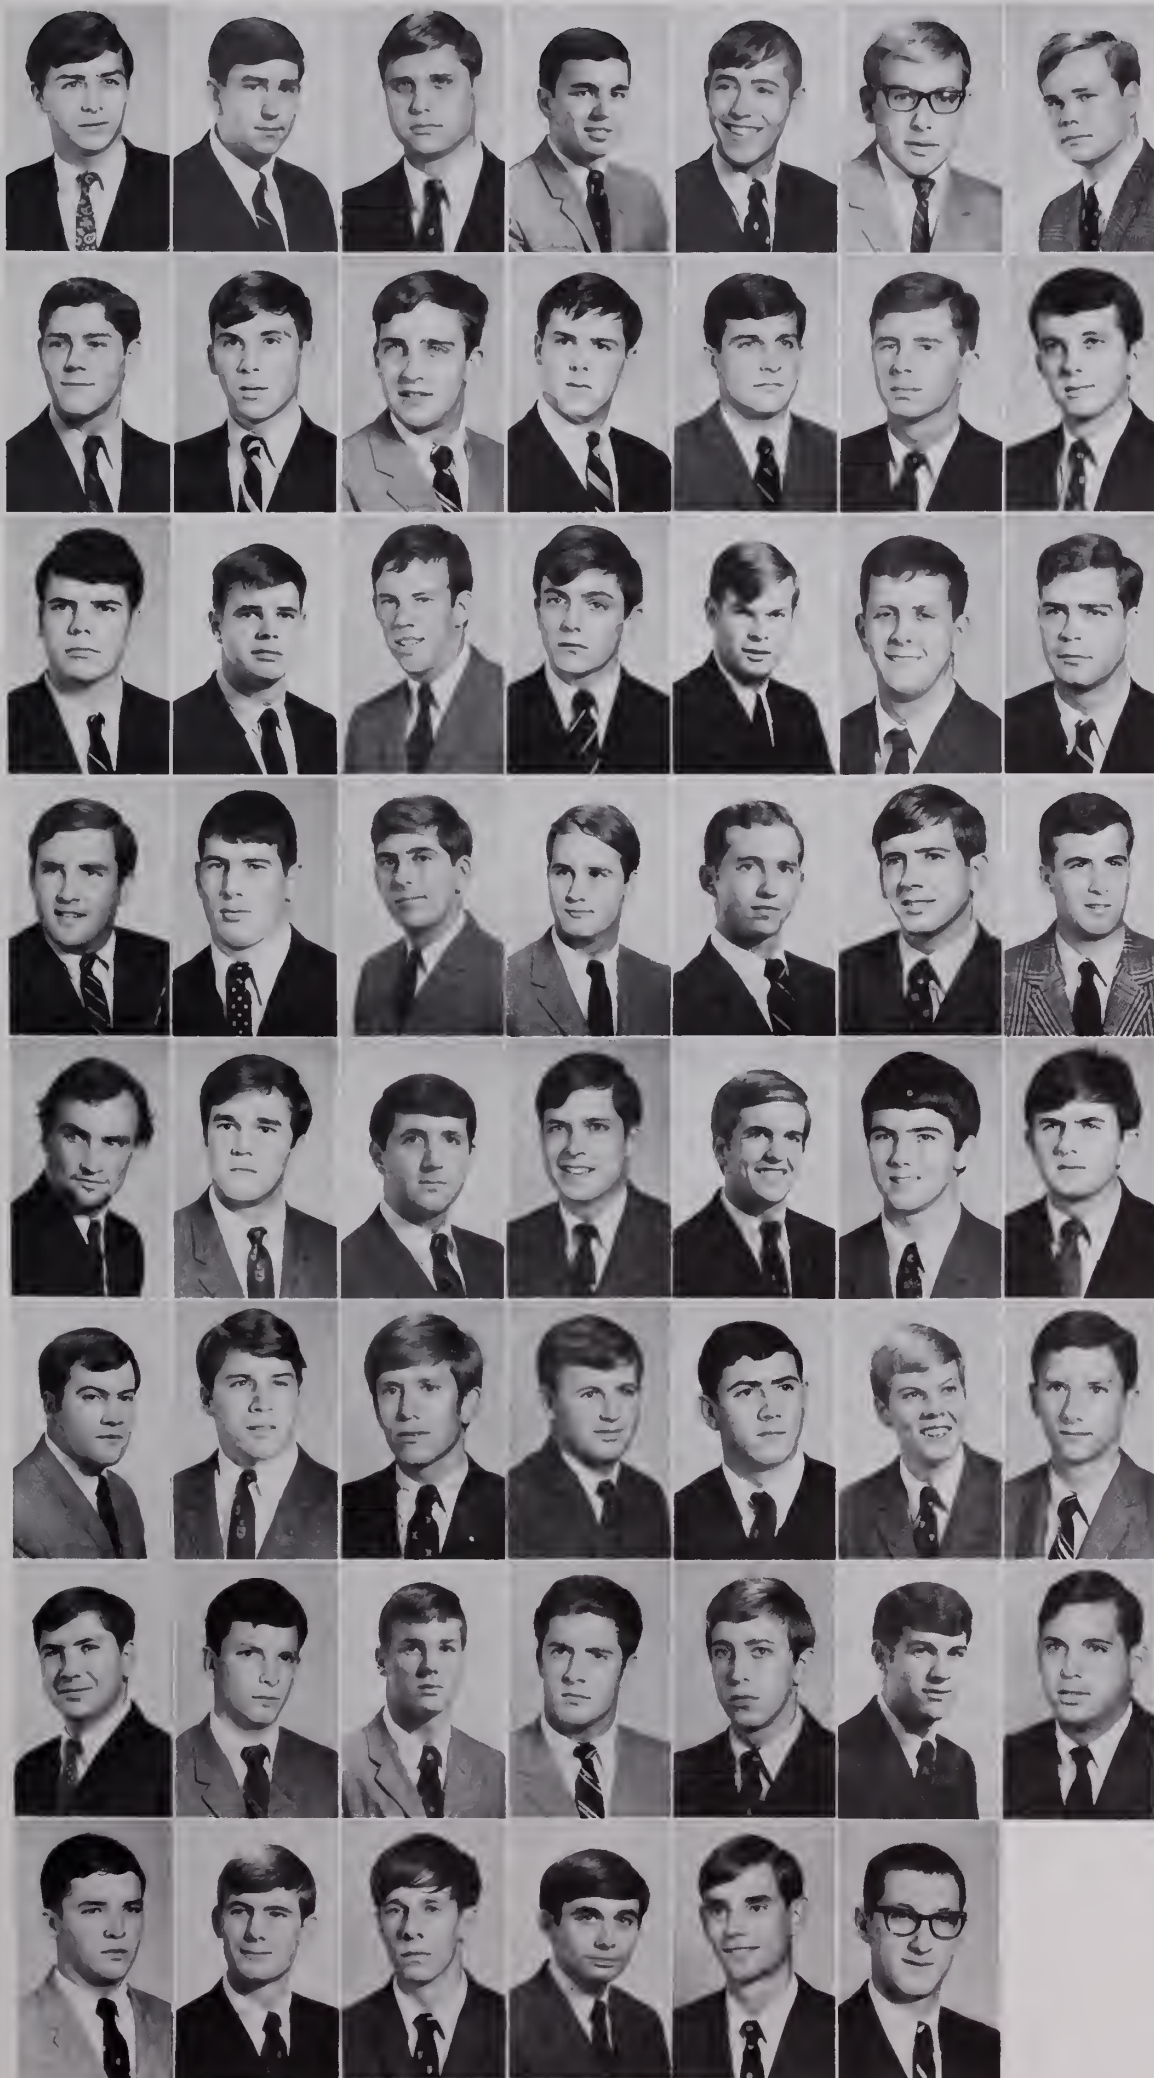

Alpha Upsilon Chapter has been on campus since January 12, 1900. In its sixty-eight years at Ole Miss it has provided outstanding campus leaders. Typical of this leadership is: John Powers, Chairman of the A.S.B. Elections Commission; Van Lackey, President of the Senior Class and Vice-President of ODK Hinky Hall, A.S.B. Director of Student Activities; and former A.S.B. President, and Freshman Law School Class President, Jim Martin, now serves as Chairman of the Judicial Bar. K.A. also boasts an active social life with such affairs as the Hayseed Party, Old South Weekend, and the Rose Ball.

Kappa Sigma

Since its arrival on the Ole Miss campus, Delta Xi Chapter of Kappa Sigma has continually stressed its elevated ideal of producing gentlemen. From a humble origin of five members, Kappa Sigma is presently one of the largest international fraternities with membership exceeding one hundred thirty thousand.

Kappa Sigma has been an integral part of campus life since its arrival at Ole Miss in 1926 by participating in the annual "Operation Brotherhood" with Chi Omega Sorority and in numerous University functions. Exercising its leadership this year, Delta Xi was host to the District Conclave of Kappa Sigma. Kappa Sigs are also justly proud of their reputation of knowing how to give a party.

In retrospect Kappa Sigma at Ole Miss has lived up to its founding ideal of producing gentlemen.

Phi Delta Theta

Since its arrival on the Ole Miss campus in 1877, Phi Delta Theta has furthered the principles of friendship, learning, and integrity, the three points upon which the fraternity was founded in 1848 at Miami University of Ohio.

Mississippi Alpha of Phi Delta Theta leads in every field on the campus—Walter Thompson, Treasurer; Randy Pool, Co-Chairman of the Committee of 100; Bruce Newell, quarterback of the Rebels; Bill Garth, Chairman of the Committee on Academic Affairs, and Jack Laurenzi, Vice-President of the IFC.

For the third consecutive year the chapter claims the Intramural Football Championship.

Phi Deltas take time off to relax with parties throughout the year, climaxing their fun with Ivy League Weekend.

In all categories the Phis of Ole Miss strive for the top.

Phi Kappa Psi

Since its arrival on the Ole Miss campus in 1857, Phi Kappa Psi, the third fraternity to be established at Ole Miss, has stressed the overall development of its members. Members of Mississippi Alpha are found in places of leadership in ODK, Phi Eta Sigma, IFC, Intramural Council, Cardinal Club, Scabbard and Blade, Committee of the 100, Anchor and Chain, Campus Senate, Alpha Phi Omega, Circle K, SAM. B.S.U., and the Welcoming and Orientation Committees. Phi Psi's know how to have a party as evidenced from the top quality bands playing for packed houses for the Jacqueminot Rose Ball, Hell's Angels and Rebelee parties. In the field of sports, Phi Psi last year was number three in intramurals. This year Phi Psi had 2 boys on the varsity baseball team and one on the track team. Each year sees one or more intramural trophies added to the already large collection.

Phi Kappa Psi was founded at Jefferson College in Canonsburg, Pennsylvania in 1852, and since then has grown to a national organization of more than 75 chapters all over America. The men of the Mississippi Alpha are proud of their heritage at Ole Miss and over the nation, and continue to play a vital part in campus life each year. Interested in social and civic work, Phi Psi and Phi Mu sorority sponsored an Easter Egg Hunt for underprivileged children of Oxford last year.

Phi Kappa Tau

Phi Kappa Tau, one of the most rapidly expanding national fraternities in the country, was founded at Miami University, Oxford, Ohio, March 17, 1906.

Historians of the fraternity have stressed three fundamental characteristics—emphasis upon innate worth as a qualification for membership, democratic nature of the organization, and Christian ideals.

Phi Kappa Tau came on the Ole Miss Campus May 11, 1967, pledging 17 men. Beginning with formal rush, Phi Kappa Tau has continued to grow with the addition of thirty members. Striving to attain chapterhood, the Phi Tau's have worked hard in all aspects of campus life. Phi Kappa Tau in its first season captured the small fraternity basketball championship.

The officers for Phi Kappa Tau during its first year at Ole Miss were: President, Terry Thrash; Vice-President, Peter Laner; Secretary, Dave Disger; and Treasurer, Ralph Winton.

Phi Kappa Theta

April 29, 1959, marks the day for a unique unification, in which Phi Kappa fraternity, founded at Brown University, and Theta Kappa Phi of Lehigh University merged to form Phi Kappa Theta.

Throughout its history, Phi Kappa Theta has been known as a fraternity with deep rooted principles in brotherhood which gives its members the congenial human association, discipline, social training, athletic, and scholarship aids which are conducive to the natural and well-rounded development of the college man.

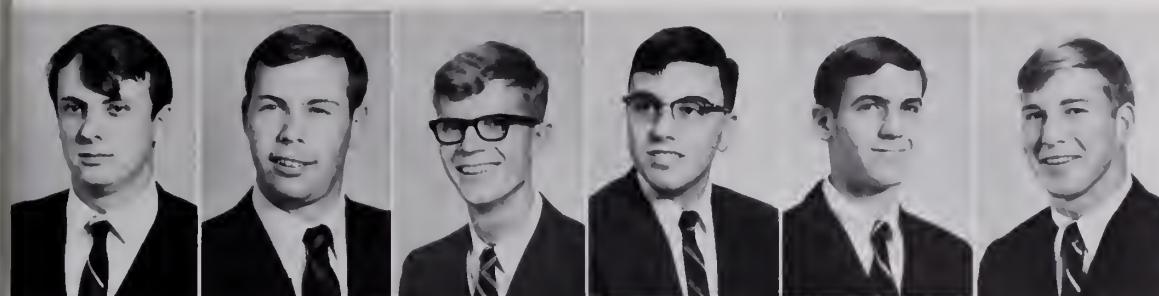

This year marks the largest growth for the Chi chapter here at Ole Miss. It contains among its members several scholarship recipients which includes the Carrier Scholarship and the International Rotary Club Scholar. Its alumni include Senator Mike Mansfield, Undersecretary of Agriculture John A. Schnittker and the late president, John F. Kennedy.

Pi Kappa Alpha

The Gamma Iota Chapter of Pi Kappa Alpha was founded at Ole Miss in 1927, and since that time has progressed into its current status as most outstanding on campus. Essentially a southern fraternity, being founded at the University of Virginia by six Confederate soldiers, Pi Kappa Alpha is now one of the five largest fraternities in the United States. This is the Centennial Year for the fraternity as it was founded on March 1, 1868.

Achievement is synonymous with Pi Kappa Alpha, evidenced by its representation in all phases of campus activity. Several Pikes hold membership in such organizations as ODK, Phi Eta Sigma, Campus Senate, Committee of 100, YMCA, ASB Cabinet, and many others. PiKA claims football players and cheerleaders along with scholars and politicians.

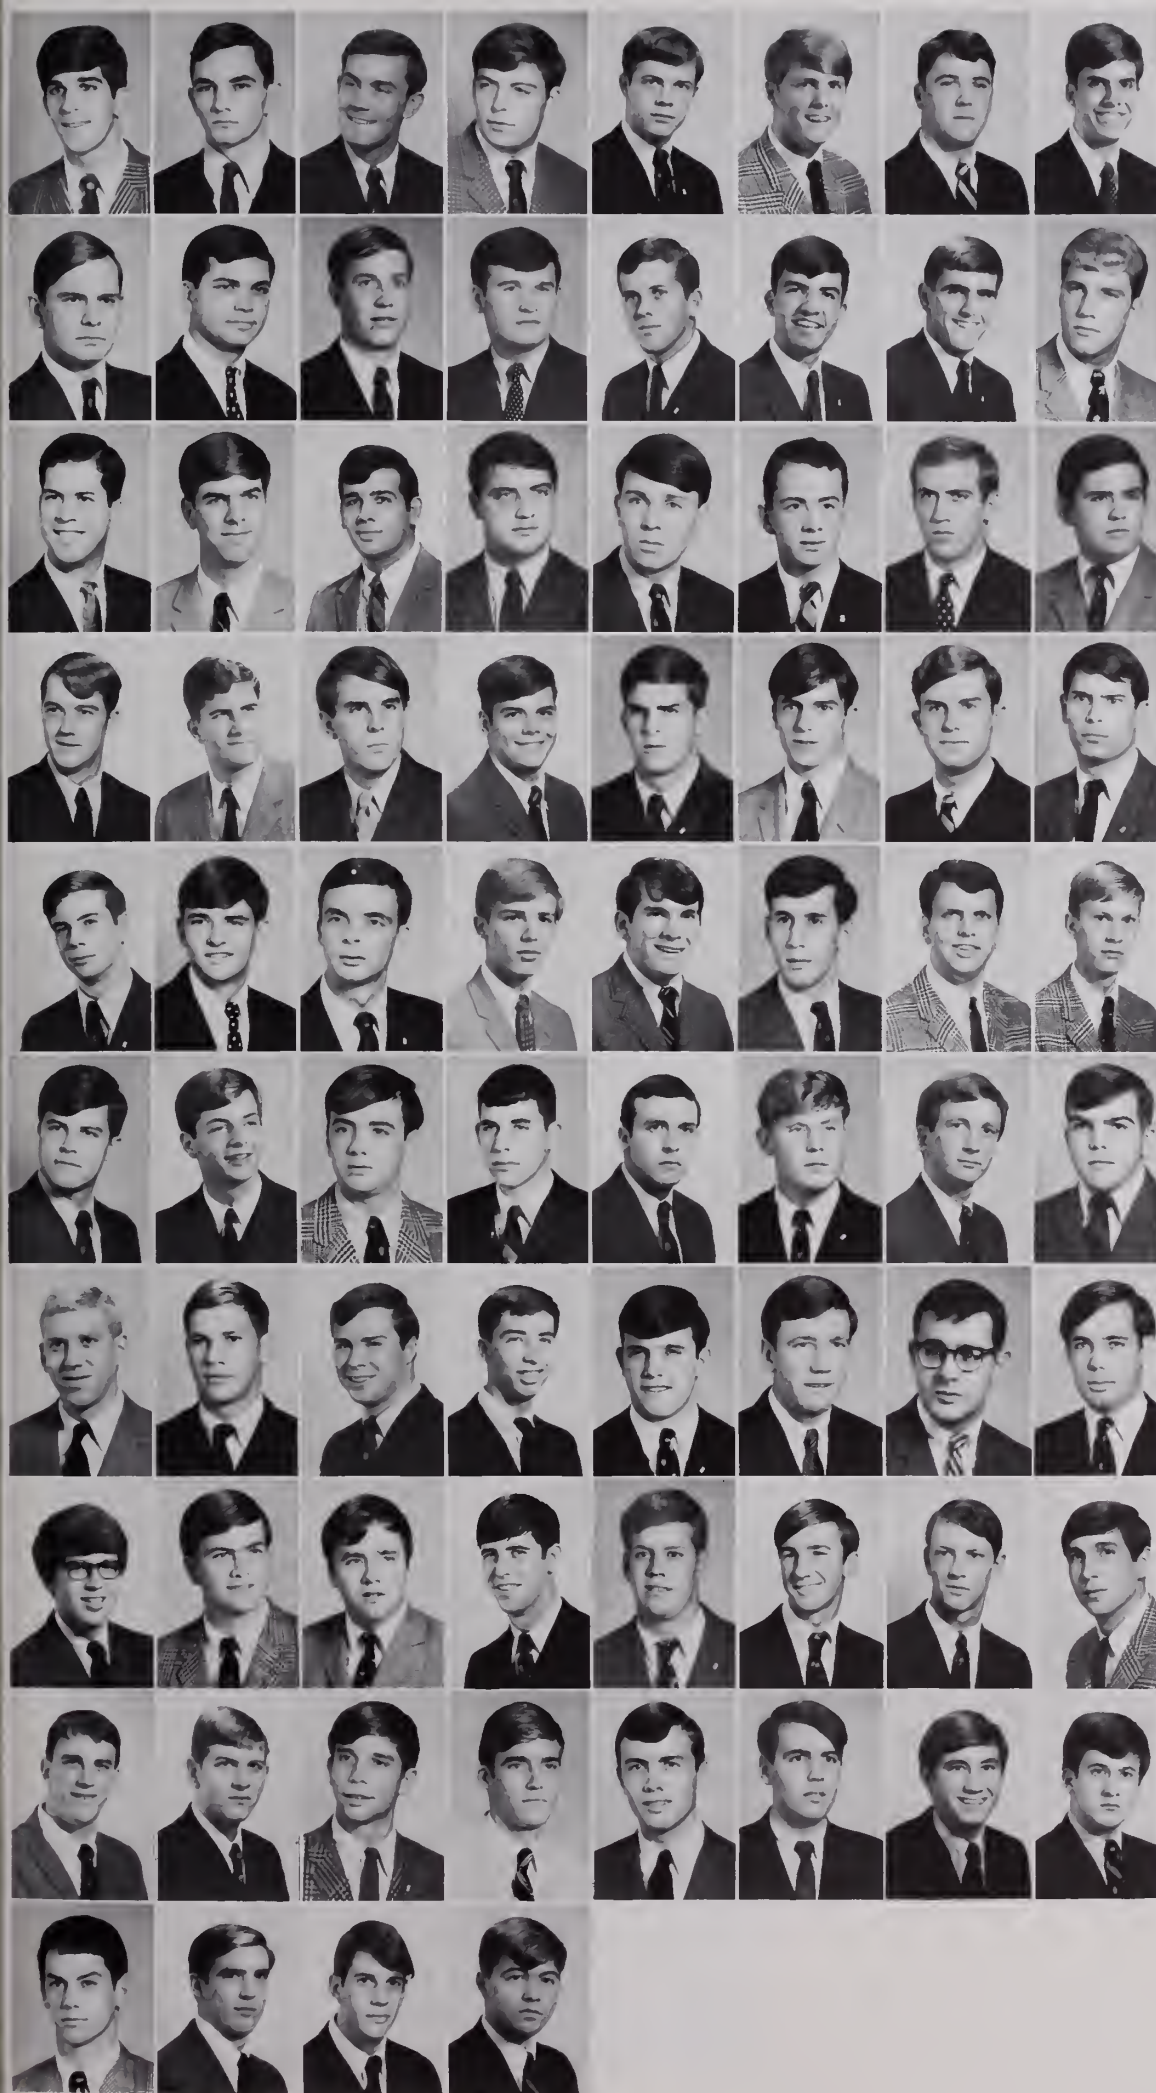

The social season is highlighted by the Roman Ball, Playboy Party, Bohemian Brawl, and Dream Girl Formal with numerous parties throughout the year. The Pikes also sponsor a Christmas party for underprivileged children in Lafayette County and an Easter Egg Hunt for all children on campus.

Sigma Alpha Epsilon

Founded March 9, 1856, at the University of Alabama, Sigma Alpha Epsilon claims the honor of the the first fraternity founded in the South. Among its many other distinctions are the fostering of the national Interfraternity Council and the establishment of the first fraternity Student Loan Fund.

L. Q. C. Lamar founded Mississippi Gamma Chapter at Ole Miss in 1866. Following the tradition of Lamar, SAE's of today excel in every phase of extracurricular activities.

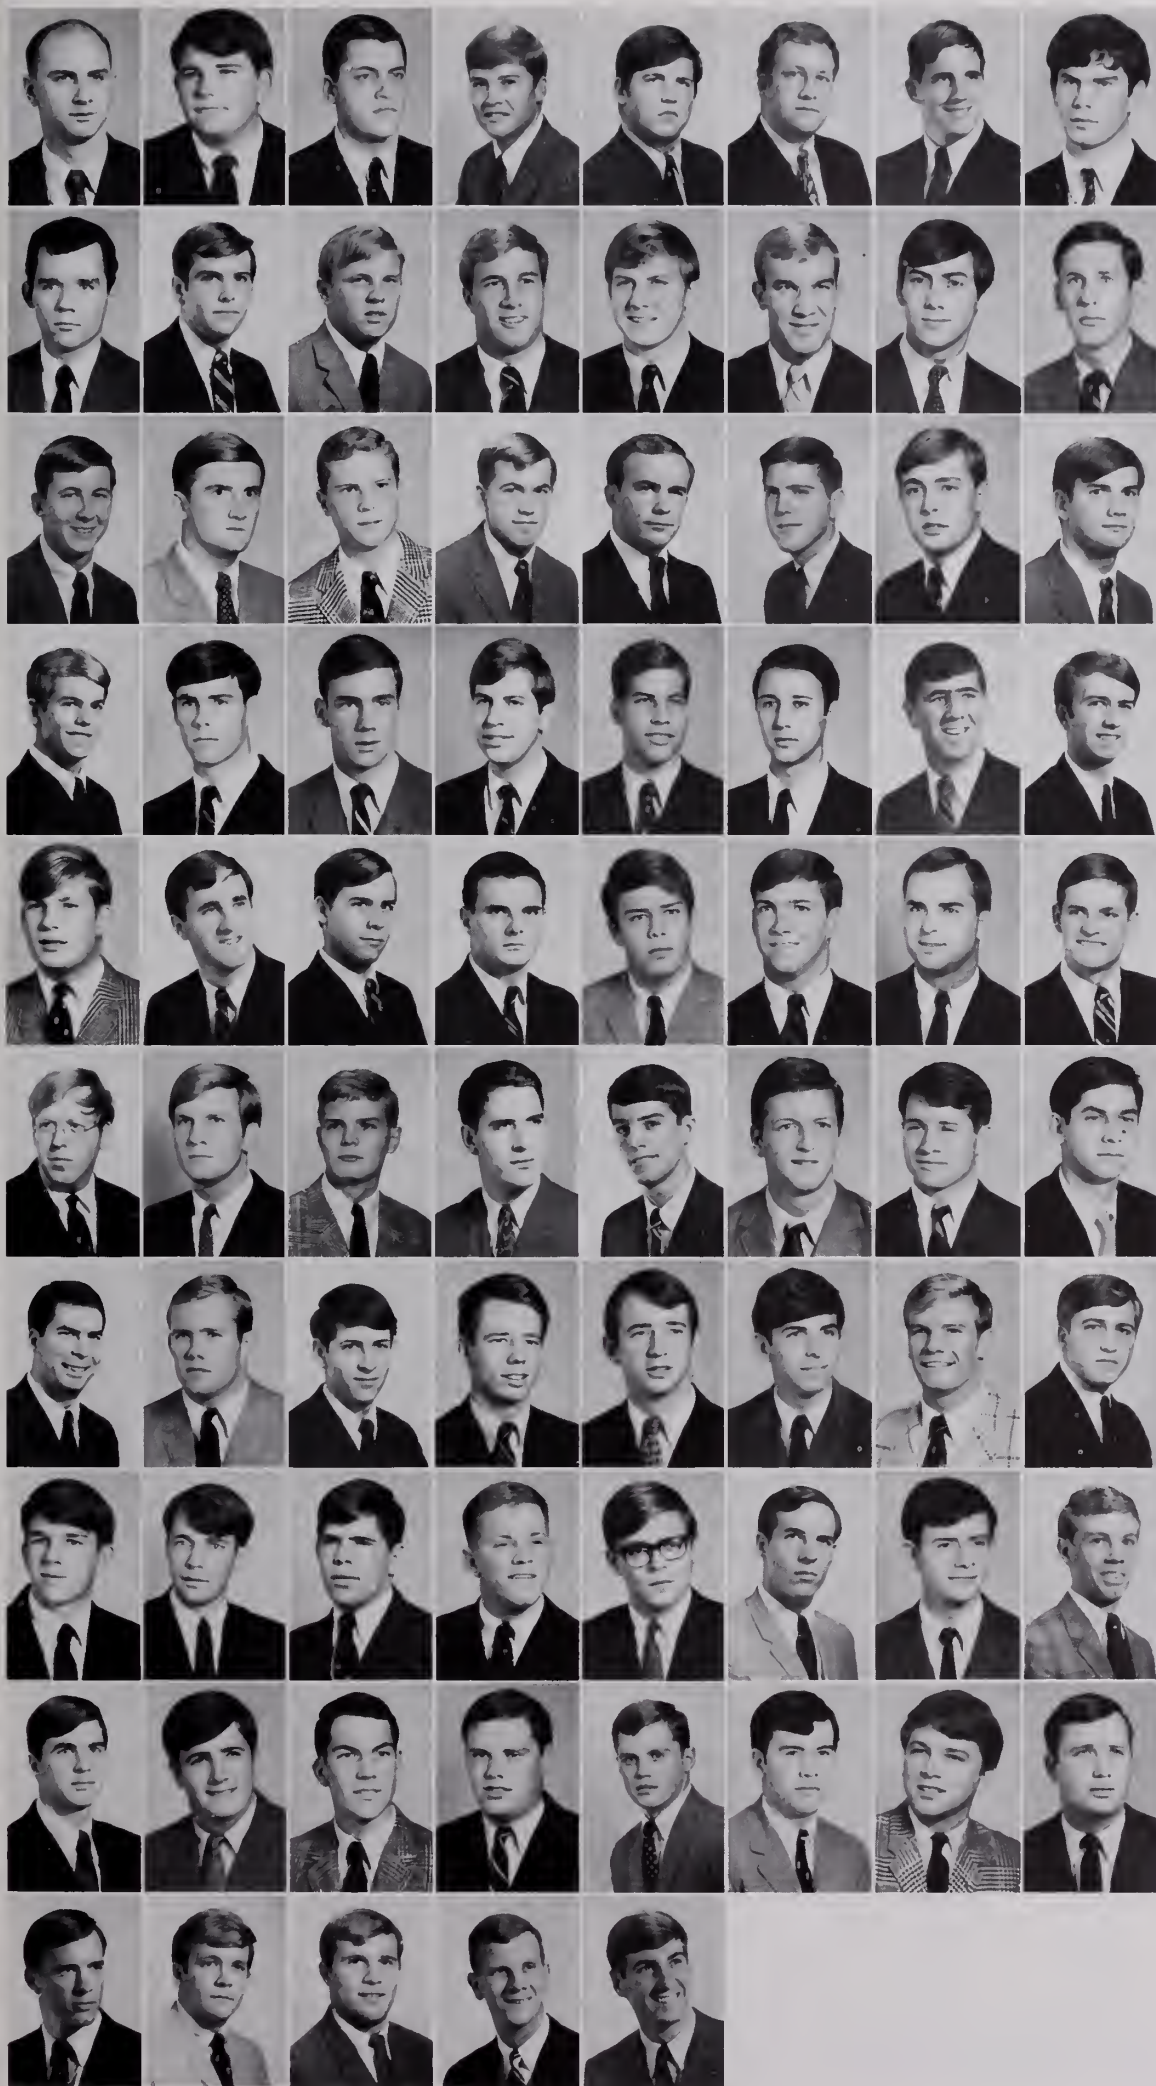

SAE's attempt to balance their scholastic endeavors with a complete round of social activities throughout the year. These include Homecoming, Christmas, Paddy Murphy, Spring Formal, and Shipwreck parties. They feel that by these means a well-rounded college environment is offered in the finest tradition of SAE at Ole Miss.

Sigma Chi

Miami University, Oxford, Ohio, was the birthplace of the Sigma Chi Fraternity. The Constantine Chapter of Sigma Chi, formed during the late part of the Civil War, has served as a model for chapters formed all over the world in times of war by many fraternities.

Eta Chapter, one of Sigma Chi's greatest, was established at the University of Mississippi in 1857, and since that time has consistently produced its share of leaders in every phase of campus life. This year Eta Chapter of Sigma Chi boasts Ralph Vance, Vice-President of the ASB; Frank DeBay, Editor of the OLE MISS; and David Houston, chairman of the Judicial Council. Eta Chapter has been one of the top three fraternities in scholarship in past years.

Sigma Nu

Since its arrival on the Ole Miss campus in 1927 the Epsilon Xi Chapter of Sigma Nu continues to rank year after year among the finest of the Ole Miss fraternities.

Founded on the ideals of Love, Honor, and Truth, on January 1, 1869 by three cadets of the Virginia Military Institute the Sigma Nu fraternity boasts 139 chapters across the nation.

The versatility of the Sigma Nu's is evident from their participation in all phases of campus activities. The "Snakes" look with pride to their ten members of ODK and Jimmy Dukes ODK Vice-President. Billy Gotlshall is presently serving as ASB President, and Carson Hughes as President Pro-tempore of the Senate. They also boast several senators, Carrier Scholars, and three cheerleaders.

The Sigma Nu Creed is "to believe in the lief of Love; to walk in the way of Honor; to serve in the light of Truth."

Sigma Phi Epsilon

Twelve divinity students founded Sigma Phi Epsilon on November 1, 1901, at Richmond College, in Richmond, Virginia. These students met weekly to share each other's company and from this brotherhood grew Sigma Phi Epsilon—the Fraternity with the Heart.

Because of the fraternity's association with the American Heart Association and the badge which its members wear, Sig Eps enjoy true brotherhood which is expressed in this motto: "Brotherhood is free and begins and ends with the Heart, we enjoy a true brotherhood."

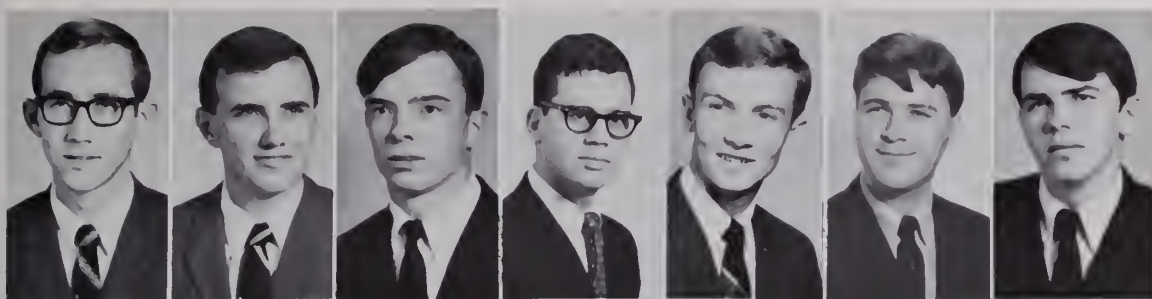

The Scholarship program in Sigma Phi Epsilon provides for awards to chapters and individual members for their academic achievement. The Clifford B. Scott Key, for the highest academic average in each chapter, and the DuBach Award for the greatest scholastic improvement are among the awards which are presented each year.

Sigma Pi

Four students at Vincennes University, Indiana, founded Sigma Pi Fraternity on February 26, 1897. Athletic excellence as well as scholastic achievement are among the main goals of Sigma Pi. Beta Mu Chapter is small, but a well knit organization and every member, active or pledge, has an opportunity to participate actively in chapter functions. The main goal of every member, aside from making his grades, is to capture the intramural sports championship.

The objectives of Sigma Pi are to establish a brotherhood of, and for, college men; to promote scholarship; to advance truth and justice; to diffuse culture; and to encourage chivalry among men.

Some of Sigma Pi's outstanding alumni include Walter Shirra, U.S. Astronaut; Larry Grantham, All-Pro lineman of the New York Jets; and Curtis Shake, Chief Judge at the Nuremburg trials.

Junior Inter-Fraternity Council

The Junior Inter-Fraternity Council is composed of two pledges from each fraternity. These representatives are selected by their individual pledge classes and serve for the entire year. The council is also composed of two representatives from the Senior Inter-Fraternity who are elected to serve as advisors of Junior IFC for organizational purposes.

The purpose of Junior Panhellenic is to organize the instill in its membership the principles of the fraternity system. In doing this, the representatives may give to their individual fraternities an incentive to improve where manhood may flourish. The council also acts as a service organization, carrying out projects designed by the Senior Interfraternity Council.

Junior Panhellenic Council

The Junior Panhellenic program is established at the University of Mississippi under the supervision of Senior Panhellenic Council.

The purpose of Junior Panhellenic is to organize the sorority pledge classes into a more unified working body, while each still maintains its own individuality. Through this program the pledges were able to learn about the organization and working of the Panhellenic system and to voice their suggestions for its improvement.

The Ole Miss Coed

Parade of Beauties and Favorities

The Parade of Beauties and Favorities, held each fall in the Coliseum and sponsored by the OLE MISS Yearbook, is an annual event at which the most popular and most beautiful girls at Ole Miss are chosen.

Ole Miss coeds representing both women's residential halls and sororities participate in the event. On the evening of the Parade, ten favorites are selected by the audience, and a panel of judges name ten beauties.

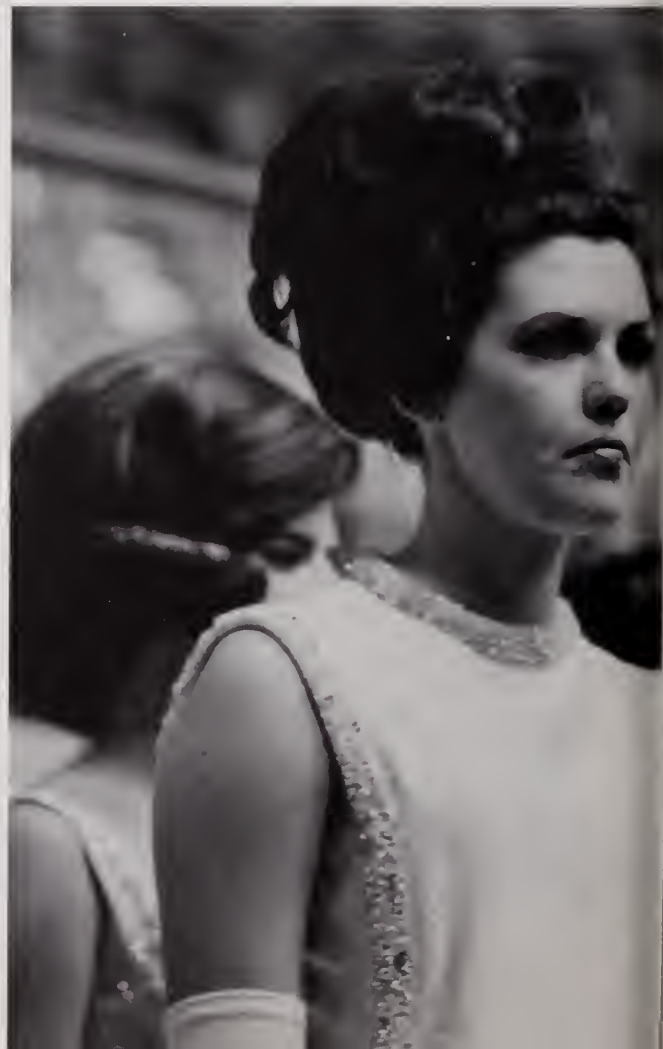

Herbert Rogers was the emcee for the 1968 Parade; entertainment was provided by Sandra Williams, Georgianna Alexander, and The Group.

The photography work was done by Bob Alexander of Grenada. The photographs of the top beauties and favorites were taken at the Broadwater Beach Hotel in Biloxi, and the remainder of the pictures were taken in the home of Mr. and Mrs. James Elkins of Oxford.

Ole Miss Coaching Staff

The tremendous staff of coaches represent one of the oldest and finest parts of the heritage at Ole Miss. Most of the coaches played as former Rebels and graduated from Ole Miss. They naturally exhibit the Rebel spirit and pass on the same winning tradition to the players. Heading the coaching staff is John H. Vaught, one of the winningest coaches in the history of athletics. In 20 years at Ole Miss he has led successive Rebel teams to 162 victories, 47 defeats, 12 ties, and 14 post-season bowl games in a row.

In charge of Ole Miss athletics is C. M. (Tad) Smith who is athletic director. The Business manager is John Reed Holley. Coach Vaught has many experienced assistants to help in making the great team that have been produced from the University of Mississippi. They are Frank (Bruiser) Kinard, offensive line coach, UM, 1938; John Cain, offensive backfield coach, Alabama, 1938; Jim (Buster) Poole, defensive line coach, UM, 1937; Junie Hovious, defensive backfield coach and golf coach, UM, 1942; Wobble Davidson, freshman coach, UM, 1942; Ray Poole, assistant, UM, 1947; Roland Dale, end coach, UM 1950; Eddie Crawford, assistant football and Head Basketball Coach, UM, 1957; Billy Mustin, assistant, UM, 1950; Tom Swayze, Chief Recruiter and Head Baseball Coach, UM, 1933; Wesley (Doc) Knight, Trainer and Track Coach, Springfield, 1935. Billy (Nub) Sanders, equipment manager, also graduated from Ole Miss.

Each year the athletic program at Ole Miss gains strength and depth to strive for the top in all areas of athletic endeavor. The fine staff of coaches help enhance the attainment of this goal.

Rebels Are 6-4, But Go To Sun Bowl

The 1967 Rebels saw mixed zest and emotion throughout the somewhat disappointing season. The usually tough Vaught Vikings fell to depths of despair at times but soared to heights of acclaim to typify the glory of the gridiron.

A shocking loss to Memphis State, the first Vaught opening defeat, initiated the 6-4 season. After bouncing back with a defeat of the Wildcats in Lexington, Kentucky, the gridmen were beaten in Birmingham by the Crimson Tide of the Bear. The height of the season came in Jackson with a revenge defeat of the third-ranked Georgia Bulldogs. The Rebels then returned to campus for back to back wins over the dazzling Houston Cougars and intrastate rival Mississippi Southern. Then Bengal Tigers of LSU became the next foe that would determine how much gold the season would uncover. A heartbreak tie left the Rebels in an awkward position that turned worse Tennessee physically whipped the sputtering Rebs. Season ending victories over Vanderbilt and Mississippi State, played in a

sea of mud, gave the Rebels a Sun Bowl berth. During Christmas, Vaught's bowl bound Rebels traveled to El Paso to become the victims of the unacclaimed Miners.

Throughout the season in the midst of clutch situations, the Rebel passing attack failed to materialize, and Vaught was forced to rely upon a running game. The leading SEC rusher, Steve Hindman, was instrumental with his powerhouse running but antiquated plays and a sputtering attack left the Rebels on the short end in far too many games.

Credit must be given to those graduating seniors who sought team recognition instead of individual glory. Coach Vaught and staff will feel the loss of Mac Haik, Bruce Newell, Jimmy Keyes, Jim Urbanek, Tommy James, Bob Vaughn, Dan Sartin, Alan Bush, Jerry Richardson, Bobby Wade, Don Street, and Mac McClure. All together ten seniors were drafted by the pro leagues pointing out that material was not the problem with the Rebels. Loyal fans are looking for a new look in 1968.

The Rebels huddle up to map new strategy for the next play.

Payoff plays like this touchdown pass to the Indian made the season worth while.

Tiger High Upsets Ole Miss, 27-17

Ole Miss started its 1967 football campaign in Memphis and in a wild offensive battle full of breaks and miscues came out on the short end of a 27-17 score. The Rebels scored just before the half on a 31-yard Keyes field goal only to have Pappas run the ensuing kickoff back 93 yards. When the Rebs opened the second half with Bo Bowen's identical run of 89 yards, the lead was quickly lost on Bill Jones' fumbled punt. The Tigers recovered on the Reb 2 and two plays later Covington banged over for the Tigers. Ole Miss then stomped through State with Wade, Street, and Hindman. Hindman scored from three yards to put the Rebs out front for the third and last time. In the fourth quarter the Tigers took advantage of a bad punt attempt and went out in front to stay for their first victory over Ole Miss.

"One-way" Street rolls through the Tigers.

The Monk sets sail for 66 yards and a touchdown.

Rebels Claw Cats In 26-13 Win

Jimmy Keyes kicked two field goals and Bobby Wade broke loose on a 66-yard touchdown romp to lead Ole Miss to a 26-13 victory over the Kentucky Wildcats. Keyes started the scoring with a 21-yard boot, and the Rebs, then deep in their own territory, sent Wade off behind Allen Bush's blocking on a 66-yard touchdown run. Later, Tommy James intercepted a Lyons pass and returned to the Cat 16. Bruce Newell burst over from the 9-yards out moments later. Keyes kicked another 3-pointer in the third stanza from 35 yards, and in the fourth quarter the Rebs scored on a 16-yard pass from Newell to Haik. Lyons scored both Kentucky touchdowns; one in each of the final periods. He scored from the one after an 80-yard drive and added another TD from the 2 with 2:30 left.

Newell goes into the end zone after James' interception.

Homan doesn't get away this time.

Millions See Tide Fall on Rebels

The Tide from Tuscaloosa fell on five Ole Miss fumbles before a national television audience, and 'Bama used these breaks to forge a 21-7 victory over the Rebels. In the second quarter the Rebs drove to the Tide 26 only to have a pass intercepted and run back 35 yards. Alabama bogged down but when Ole Miss got possession they lost a fumble which the Tide used as a stepping stone for a Stabler to Homan scoring strike. The Rebels fumbled on the opening play of the second quarter, and four plays later the Snake slipped in for the score. In the last period, Ed Morgan capped an 88-yard drive by piling over from one yard out. Terry Collier took the Rebel reins and in the final 13 minutes completed 10 of 21 for 116 yards and a TD pass to Haik from 23 yards away. Collier kept Ole Miss in Tide territory but an interception with :45 left drowned the Rebels' hopes.

Hindman burst through the Tide.

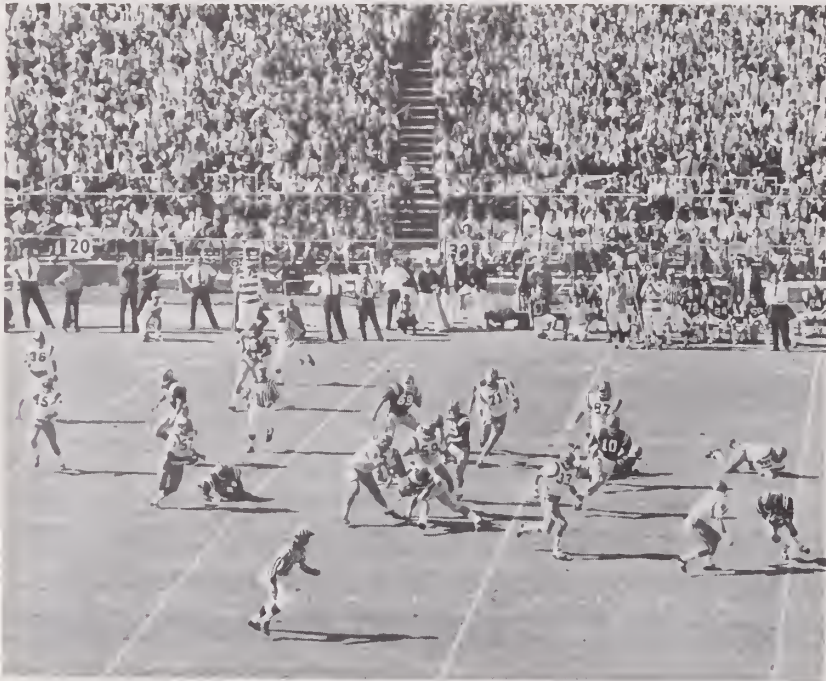

Ready and willing to go in.

Third ranked Dogs Fall to Rebs, 29-20

The Rebels came from behind twice to shock the third-ranked Georgia Bulldogs 29-20 in what Coach Johnny Vaught called a "must" game. Georgia took a quick 7-0 lead, and things were looking bad until James raced 68 yards to the Bulldog four with a punt. Bowen slashed in for the score, and Keyes missed his first conversion in 42 tries. The Rebs drove 49 yards then and Street bulled over from the one. But the Dogs held the halftime lead on Lawrence's one-yard sweep. In the third quarter Lawrence fumbled on his 14 and Keyes added 3 more. Bowen sparked a 58-yard drive and scored from the one and Newell sneaked in for two Reb final quarter tallies. Georgia stayed close with a fourth period passing score from Moore to King, but a Keyes interception late in the game killed the Bulldogs' hopes.

Hindman takes a well-deserved breather.

Rebs Beat Southern For Homecoming

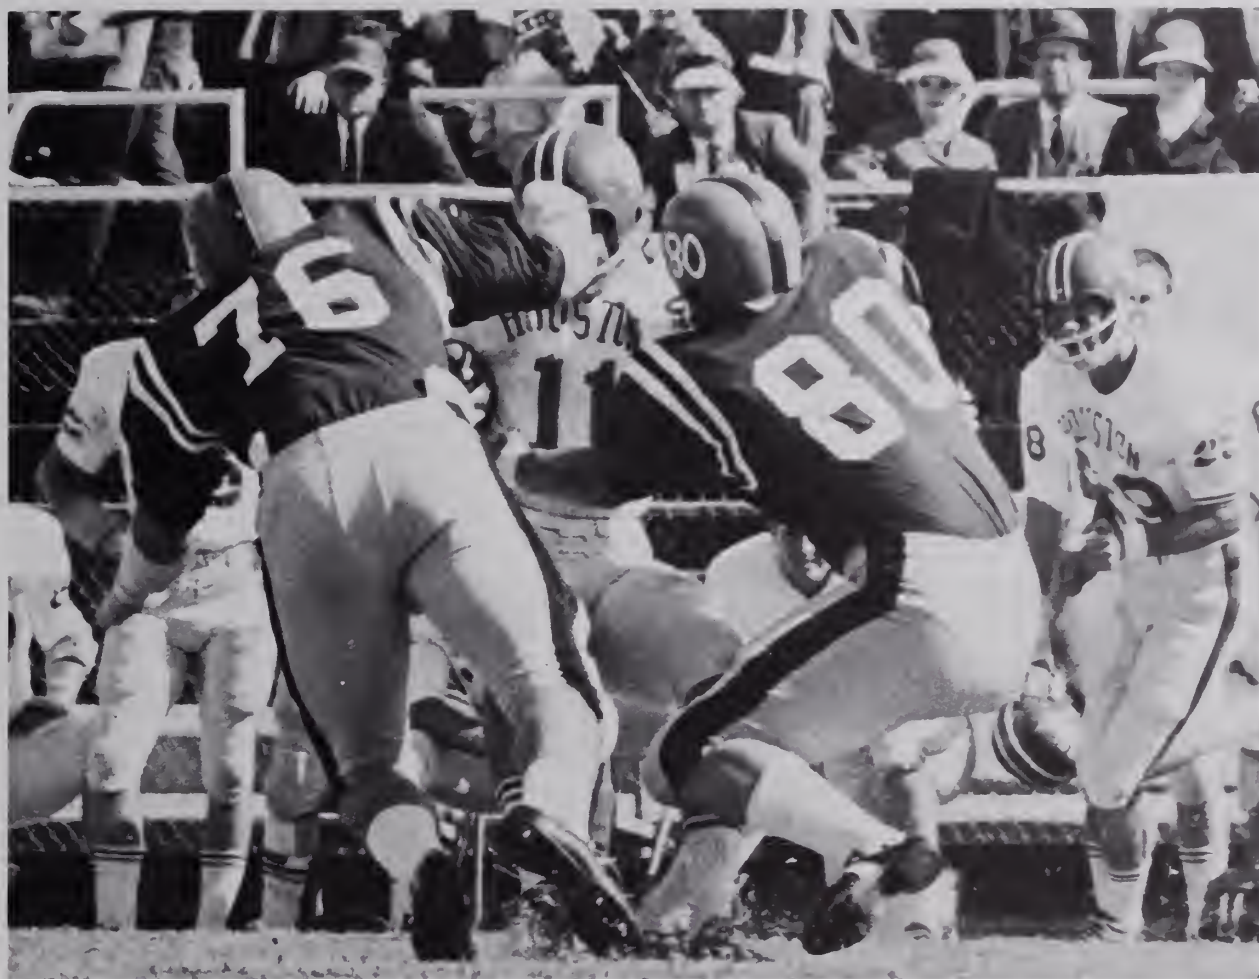

Ole Miss capped a perfect Homecoming Day celebration by defeating the Southerners from Hattiesburg 23-13 in a game here on campus. 2500 saw the Rebs score first then try to fight off series after series of determined Southern attacks.

In the opening period Newell threw to Haik on a 35-yard bomb. Two minutes later, Tommy James fielded a punt on his 21, weaved and bounced his way through blockers and tacklers alike, and scampered 79 yards for the TD. But Southern came back to score on a replay almost of James' run and after Keyes' first 3-pointer, the halftime score was 17-7.

Southern drove for a score in the third quarter and Keyes kept Ole Miss ahead with a record field goal to make it 20-14. Southern started another paydirt drive but Trapp fell on a fumble at his 40. The Rebels powered close to the goal and with 4 seconds left Keyes booted a third goal to put it out of reach.

Bo Bowen follows blocker for good gain.

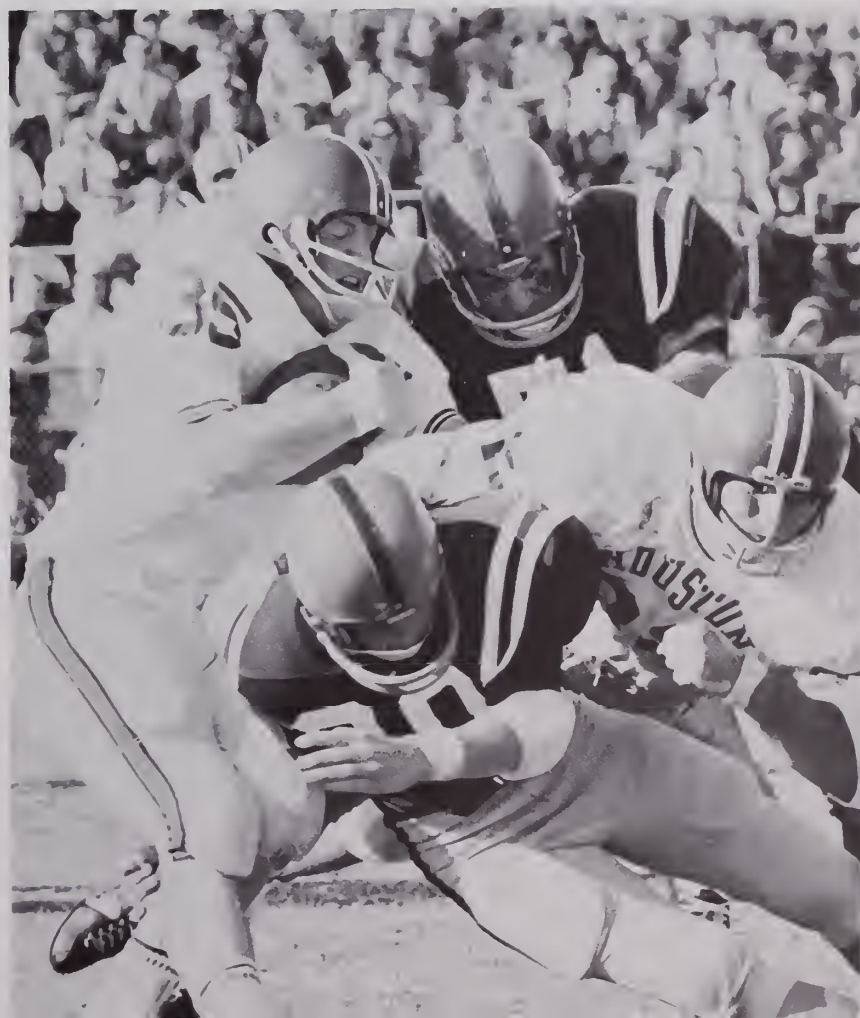

Cougar mauled by defensive line.

Cougars Mauled As Extra Point Fails

Houston's ninth-ranked Cougars fell from the ratings when the Rebels, playing hot defense in Oxford, upset the Cougars 14-13. After spotting Houston a touchdown on Don Bean's 73-yard punt-return, Ole Miss recovered a Warren McVea fumble on Houston's 23, and Newell threw to Haik for the first Rebel score. Houston was stopped cold within the Ole Miss 10 and Ken Hebert's field goal was wide—a sign of things to come. In the third stanza Bob Bailey fell on a loose Cougar ball at the 37. Newell floated a pass to the goal that appeared to be intercepted until H. N. Shows politely snatched the ball and went in for the score; Keyes' PAT was good. The Cougars roared back and Woodall connected with Achley on a 42-yard scoring strike. The snap was good, the ball on the tee, but Hebert's foot was off the mark, Ole Miss won 14-13.

Another Cougar hit hard by defense.

Hindman dives over for Ole Miss' first touchdown.

Another P.A.T. Missed LSU. Ties Rebs, 13-13

It all boiled down to a battle of toes in Jackson when Ole Miss met the Bayou Bengal from LSU in what has become a classic. Ole Miss started the scoring with a 51-yard drive finished by Hindman's 2-yard plunge to paydirt. But LSU came back immediately going from their 37 to the Reb one where Eddie Ray fumbled into the end zone and Ole Miss recovered. But the Tigers roared back and Dousay scored from the one. In the second half Keyes kicked field goals of 35 and 45 yards to tie the SEC career record in that department and give the Rebs a 13-7 lead. But LSU marched 80 yards and had a first down on the Reb 8. From there Newfield circled left untouched for a touchdown. With 3:22 left and the score tied 13-13, Steve Daniels' kick was to the left and the score ended deadlocked.

A caged Tiger goes down.

Orange Ogres Break Eight Year Jinx

Tennessee overcame an 8-year losing streak to Ole Miss by taking a 20-7 victory away in Memphis. The second-ranked Volunteers took advantage of the breaks to build up a 17-0 halftime lead that the Rebels just couldn't catch. Before a record-breaking crowd of 51,000 in the Memphis Memorial Stadium Tennessee eliminated Ole Miss' Sugar Bowl hopes and won a trip to Miami. Tailback Walter Chadwick swept left end and passed for two Vol touchdowns in the second quarter while Karl Kremser kicked two field goals for the Vol's halftime lead. In the second half, the Rebs got on the scoreboard following a touchdown plunge by Wade from the one following an Urbanek fumble recovery. But it was too late and too little as Tennessee got another 3 points to wind up the scoring.

Haik lets this one get away.

The Rebs dig in.

Chadwick slips past Cannon and scores first Orange TD.

Vandy Sunk Under Reb Broad side

The Commodores from Vanderbilt were completely out-classed as the Rebels racked up their fifth victory behind the workhorse running of Steve Hindman who ran for 215 yards and 3 touchdowns, one for 76 yards. Bruce Newell set up one of Hindman's scores with a 41-yard run and passed to Haik for another score. Ole Miss' first score came on a 3-yard run by Hindman after Newell set it up with a 57-yard pass to Bill Matthews. Hindman's flashy 76-yard run posted the second score, but Vandy drove for a touchdown afterwards, climaxed by a 14-yard pass play. The Rebs later marched 68 yards with Hindman going in from the three after Newell's run. The final score came in the third quarter when Newell hit Haik on a 13-yard strike. The Rebels were heading for Starkville and a date in another bowl game.

Rebs Outslop Necks In Own Trough

The Rebels went down to Moo U. and wrung a 10-3 victory over the Rednecks from Starkville. The muddy field slowed both teams and made for a closer score than anyone expected. State didn't give up hope until only :47 remained when Glenn Cannon knocked away a sure scoring strike. The Cow College fans can say that if the pass had been higher from Pharr, the State end Saget might have had a touchdown. But the scoreboard still read 10-3. Ole Miss opened the scoring in the first period with Van Brown's 38-yard field goal. Then the Rebs went 47 yards in five plays, one a 29-yard pass from Newell to Haik. Haik then scored on a 9-yard quickie from Newell. State managed a second-quarter field goal. Then a sloppy second half saw no scores.

Miners Dig, Cave In On Rebs

Who the hell is Texas at El Paso? The Sun Bowl? These were some of the comments around the campus before the Rebels went west and got an answer to these questions. Ole Miss was humiliated by an obscure team in an obscure bowl by the score of 14-7. The Rebs managed only 6 first downs to El Paso's 16, lost 3 fumbles, and were outgained almost 3 yards to every 1 they got. Coach Vaught said, "We had heard a lot about their offense, but someone neglected to emphasize their defense." Ole Miss only got past El Paso's 40-yard line once and that was to score their lone touchdown—a 1-yard sneak by Newell following McClure's pass interception that went to the one. El Paso waited until the final period to finally explode their offense and go ahead on the scoreboard. The fired-up Miners started a 66-yard scoring drive climaxed by Billy Stevens' 5-yard pass to flanker David Karns. Seven minutes later linebacker Fred Carr caused a fumble that El Paso fell on at the Ole Miss 22. Full-back Larry McHenry carried four straight times and went over from the four for the winning score. Coach Billy Dobbs of El Paso admired that his team "played their hearts out." It was obvious the Ole Miss didn't.

Injuries and Tough SEC Stymie the Rebels

Turner hits a lay-up to the amazement of the 7-foot giant and his wide-mouthed friend.

Early-season injuries and a tough Southeastern Conference combined to deal the Ole Miss Rebel basketball team a 7-17 overall record for 1967-68. But the year was highlighted by a victory in the Poinsetta Classic in Greenville, S.C., during the Christmas break and several outstanding victories throughout the season.

Injuries plagued the squad throughout the season. Ken Turner suffered from double vision; Jerry Brawner had a broken finger; Larry Martindale injured his knee; Eddie Miller had elbow trouble; Dale Stevens received a concussion; and Ron Coleman hurt his back. These injuries plus the coming-of-age of a fine, well-balanced SEC held the Rebels from a winning season.

Senior Ronnie Aldy missed the first semester and this contributed to the slow 1-5 start before the Poinsetta Classic. The Rebs only managed a win over Arkansas A&M while falling to Texas, Arkansas, Furman, and Alabama. But in South Carolina the team jelled and won victories over Furman and Hardin-Simmons to clinch the crown. Then Ole Miss went headlong into the rough conference slate with an oft-injured unit. They managed only four wins the rest of the season, but the wins were big. The first was over State, 63-53, then in succession the Rebs knocked over Alabama (77-69), Auburn (57-56), and LSU (87-85) despite a 40-point spree by All-American Soph "Pistol" Pete Maravich. This game drew the largest basketball crowd ever in the state of Mississippi. Before these wins, Ole Miss played three of the nation's top-ten teams twice and barely missed winning over two of them. These were Kentucky, Tennessee, and Vanderbilt when all three were at the top. The Vols squeaked by 66-65 while the 'Cats salvaged a 85-76 win.

Junior forward Turner (6-5) finished as the Rebs' top scorer with a 13.8 average that drew him some All-SEC billing. (6-8) center Brawner followed at 12.5, and Soph guard Ron Coleman (6-3), the early leader, wound up third with 10.6. The Reb team hit 39.4 from the field (628 of 1591) and 67.2 from the free-throw line (440 of 654). Ole Miss averaged 70.6 points per game to the opponents' 79.1.

With the loss of two valuable seniors, Martindale and Aldy, Coach Eddie Crawford will still have many key players returning. The basketball interest and turnout are indicative of the growth and calibre of Ole Miss basketball.

Baby Rebels Go 3-1 on Gridiron

The 1967 freshman football team played a four game schedule resulting in three victories. In the first game of the season, the Baby Bengals from L.S.U. whipped the Rebel frosh 28-0. The Tiger defense held the Rebs to a minus 37 yards, but ace quarterback Archie Manning rushed for 36 yards and hit on 9 of 17 passes for 121 yards. Next the Baby Rebels hit the road to Tuscaloosa where they took a 21-2 victory. An alert secondary picked off six passes to snap a Tide frosh winning streak at eight. The Tide managed to get on the scoreboard only by blocking a punt out of the end zone. The Vanderbilt Commodores crawled out of Hemingway Stadium defeated 80-8. The Reb quar-

terbacks fired eight touchdown passes with Manning hitting four, Shug Chumbler three, and Bob White one. The Rebels jumped to a 13-0 first period lead, extended it to 38-8 by halftime, then poured across 42 more points in the second half. The finale of the season came when the necks from Mississippi State invaded the Ole Miss campus. The freshmen rolled over the Bullpups to end the season at 3 wins and 1 loss with a 49-7 win.

The Reb freshmen of 1967 though a small squad by comparison to other teams proved themselves the "Dirty Thirty" that will provide future winning teams.

Rookie Reb Cagers Go 5-13

The 1967-1968 freshman basketball season was one of disappointment for the Rebels. Coach Eddie Crawford signed several top high school players in hopes that the season would be as successful as the few previous years. The freshman coaches Donnie Wessinger and Jim Moran depended heavily upon such high school standouts as Whitey Adams, John Schlitzman, and John Stein. Adams of West Allis, Wis. who stands 6-1 was chosen an all-state guard. Schlitzman of Orange Park, Fla., is a 6-9 center and the tallest player to be signed for Ole Miss basketball. He averaged 23.1 points and better than 17 rebounds a game

during his senior season. The first player to sign was Jim Stein, a 6-5 forward from Ocala, Fla., who averaged 20.1 points in 28 games for Ocala High where he averaged 11.1 rebounds per game and had a 49.1 percentage from the floor. Stein garnered unanimous all-state recognition.

The Rebel rookies compiled a 5 win and 13 lost record. It seemed that no matter how hard these boys played, the other team got the breaks and won. The Baby Rebs were severely hurt when injuries claimed two key members of the squad. They were 6-5 center-forward Ron Goodin and 5-11 guard Harper Young.

Baseball Team Wins Western Davison Crown

"We'll never win if that woman doesn't quit yelling at Moonie to give her son a break."

The 1967 Ole Miss baseball team compiled a 15-14 overall record and went 9-8 in SEC competition to win in the Western Division Championship race. In the playoff against Auburn for the overall crown, the Rebels fell to the Tigers in a best 2 out of 3 series. The Rebs started with a 2-1 series edge over Mississippi Southern and then split 2 games with McNeese State. To begin SEC play, Ole Miss won 2 of 3 over Mississippi State, then won 2 of 3 from Alabama after defeating Delta State 22-3. They then split 2 games in series against LSU and Memphis State. Then Alabama won 2 of 3 but the Rebs jumped back with a pair of wins over LSU again. The Rebels lost 2 of 3 from State as the Division race went to the wire, but then they beat LSU 6-2 to win the Division.

Sophomore shortstop Tommy Nichols drew All-SEC recognition. Centerfielder Glenn Lusk, third-sacker Ronnie Robinson, catcher Bobby Wade, and pitcher Scott Hasler were on the Western Division All-SEC team. Other seniors were catchers Jimmy Bennett, Ronnie Penny, and outfielder Lent Rice. Junior lettermen were Eric Ayers, Butch Owen, Larry Kerr, Ronnie Robinson, Buzz Haven, and Grafton Moore. Ronnie Aldy, Bobby Wade, Eddie McLarty, Ken Turner, and Kenny Oakley were the sophomore lettermen. Nichols led the SEC in stolen bases with 13 while Hasler pitched for a 4-0 record and a 12-3 overall varsity record.

The All-Meridian and Oxford Ole Miss golf team completed the best season that Coach Junie Hovious' linksmen have ever had. The Rebel golfers drove, chipped, and putted their way to a 7-3 match record, first place in the Mississippi Intercollegiate Tournament for the second straight year, and an all-time Ole Miss high of third place in the Southeastern Conference. The team placed third at the USM Invitational and fourth at the Buckhaults Invitational in Mobile. Chuck Rea and Don Fruge represented the Rebel golfers in the NCAA Tournament held at Fred Waring's Shawnee Inn. Rea, a junior, captured the Mississippi individual title and placed six in the SEC competition. Fruge, the lone senior, led the Rebels' attack against the nation's best collegiate golfers by finishing among the top twenty in the NCAA. Several successful golf years in a row have made Ole Miss a force with which to contend on the course.

Reb Netmen Have Best Season Ever

Thirteen matches and entry in three tournaments headlined the 1967 tennis program at Ole Miss. Five of the matches were against Southeastern Conference teams and seven of the fourteen matches were staged on campus. The record was better than the Reb netmen have had in several years. The Rebels went 11-2 as victories came over North Park College, Washington U., Millsaps, Southwestern, and Mississippi College to highlight a very successful season. The team won the Southern Mississippi Invitational, finished second in the Mississippi Intercollegiate, and participated in the SEC Tournament in Gainesville, Fla. Coach John Cain's tournament players were Mike Baier, Bill Hester, Erskine Wells, Brad Hovious, Gary Cox, and Ed Ruffin.

Ole Miss Rebuilds Track Team

Tommy Hodge gets some practice laps on the track.

The 1967 Ole Miss track season was one rebuilding for Coach "Doc" Knight. The Johnny Rebs, primarily a freshman reinforced outfit, had 21 entrants in 17 events in the triangular meet with Alabama and State in which 14 of them were first-year representatives.

As in 1966, the rebuilding team of Coach Knight depended heavily on Brad Farber of Jackson. Headed by Farber's :47.2 time in the 440, the Rebs established a half-dozen new Ole Miss records including a 4:19.3 mile and 9:39.4 two-mile by Kenny Blandford of Louisville, Kentucky.

Although Farber received much acclaim last season, other standouts were Blandford, Charlie Kelly, Jim Miller, Jim Ross, Tom Cooksey, Jim Urbanek, Larry Whitener, Bill Caldwell, Rick LaValley, and Robert Daniels.

The boy with the most votes serves as head cheerleader, and this year Joe Ross had that position aided by Don Baddour, Tommy McCarley, James Upchurch, Zetta Bryant, Carolyn Bruno, Beth Eichold, and Connie Luckett. These eight people lead the Rebels to victory and aid the student body in their attempts to display enthusiasm. The freshman class elected at the beginning of the year eight freshmen cheerleaders to assist the varsity in their duties of leading cheers, passing out Rebel flags and souvenir footballs.

The purpose of the club is the promotion of interest and participation in sports. Through the fine example of the members of the M Club, a great deal of respect has been gained for the athletic participants at Ole Miss. Instead of being uncouth slobs and meats that predominate at many other athletically-minded schools, the well-bred Ole Miss athletes and M Club members are an integral part of University and a point of which Rebels can be proud.

On any athletic team there are always standouts whose play excels above the caliber of the other members of the team. The University of Mississippi has had a long tradition of athletes who have been of such a high quality that they have been recognized as the best in the conference or the nation. 1967-1968 has been no exception in producing a fine group of All-Stars. To the true fan of the Rebels it is a shame to recognize the few who have been most instrumental in bringing national renown to the athletic teams of the University without also giving credit to the supporting cast.

Among the persons who have helped Ole Miss produce All-Americans are the coaches, of course. Backing them up

has been a truly first class athletic department that coordinates finances, publicity, scheduling, ticket sales, equipment, and the thousands of details that are involved in fielding athletes in intercollegiate competition. The student body led by the cheerleaders also adds a tremendous amount of incentive to the other factors that make someone a very good or even great player.

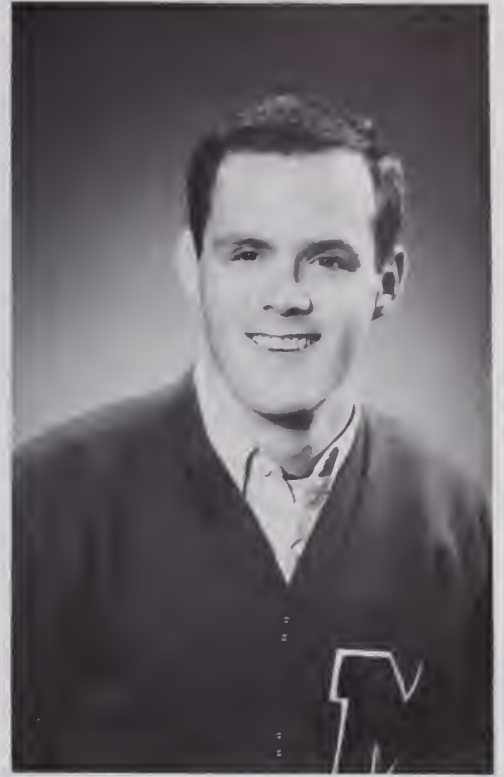

All-Stars are very special people at Ole Miss and their names will now be added to such past greats as Mike Dennis, Jim Dunnaway, Glynn Griffin, Jake Gibbs, Charlie Connerly, Bruiser Kinard, and others who have stood out in the field of athletic competition.

The 1967-68 Ole Miss Rebel Marching Band under the direction of James Ferguson were the leaders of the Rebel spirit during the football season by participating in most of the football games as halftime entertainment, numerous pep rallies, parades, and the annual Welcome Rebel Party. Led by the world famous Rebelettes, the Band boosted the fame of the Rebels and the whole University with fine half-time shows and never-dying spirit for the team. Audiences and band members themselves enjoyed the Rebelettes' many and varied interpretations of the music that the band produced while down on the field. The band hopes to improve itself in the years to come.

The Council is made up of two members from each of the seventeen social fraternities on the campus. Among the duties of the Council are arranging of the various schedules for each of the individual sports, compiling and tabulating the results, determining the eligibility of the athletes for each different sport, and the interpretation of rules of all sports involved. The fraternity athletic season begins during the fall semester with six-man touch football which is probably the most hotly contested sport of fall. During the remainder of the school year the Greeks go out for basketball, bowling, volleyball, softball, tennis, table tennis, and golf.

The fraternities are divided into two leagues for competition in team sports; then the champions of the individual leagues have a playoff for the overall championship. Points are given for each victory in a major sport—football, basketball, and softball—and for each over-all championship. In the minor sports, points are given for each victory that is a championship one. At the end of the year the points are tabulated and the intramural trophy is awarded to the fraternity with the highest number of points. Last year's winner was Sigma Alpha Epsilon.

Alumni Association

The Ole Miss Alumni Association has grown a great deal from its obscure and small beginning as the Alumni Society on September 16, 1853. It has reached a position of prominence and effectiveness that is strongly felt throughout the state. Many of its top leaders in professional fields, government, and respect are members of the Association. With a membership of 10,000, an expanding facility to care for the increasing needs at the Alumni House, and a full time staff to keep members up to date. The Alumni Association has become a vital part of the program of the University.

Each fall during the football season the Alumni House becomes a center of activity as former students from all over the nation pour into Oxford to renew old friendships and cheer for the Rebels. New officers are installed each year at Homecoming.

Governor

The Honorable John Bell Williams, the Governor of the State of Mississippi, was born in Raymond, Mississippi. He attended Hines Junior College and took his law degree from the Jackson School of Law. After receiving his degree he practiced law in Hines County and was appointed County Attorney.

After World War II he returned to Mississippi and ran for Congress. At the age of twenty-eight he became Mississippi's youngest Congressman. For the next twenty-one years, John Bell Williams represented his state in Congress.

In the year of 1967, he returned to Mississippi and ran for Governor, and in January of this year he took over the office of Governor of the State of Mississippi. Since his installment he has done much for the state, especially in the field of education.

Chancellor

Dr. Porter Lee Fortune assumed the duties of Chancellor of the University of Mississippi in January, 1968. Dr. Fortune was educated at two of the outstanding universities of the south, earning his bachelor's degree with highest honors at the University of North Carolina, his master's degree, likewise with distinction, at Emory University, and his doctorate in American History and political science at the University of North Carolina.

Dr. Fortune held the positions of Academic Dean and Dean of the Graduate School at the University of Southern Mississippi. After leaving the University of Southern Mississippi six years ago, Dr. Fortune assumed the position of Executive Secretary of the National Exchange Club in Toledo, Ohio.

He has achieved membership in the following honorary fraternities: Omicron Delta Kappa, Phi Delta Kappa, Pi Gamma Mu, Phi Alpha Theta, Pi Tau Chi, Pi Kappa Delta, and Kappa Delta Pi. Dr. Fortune is listed in *Who's Who* in American Education and *Who's Who* in America.

JOHN DAVIS WILLIAMS
Chancellor, 1946-1968

A Tribute To John D. Williams

In the last twenty-one years, almost every university in the country has experienced tremendous enrollment increases and wide-scale physical expansion. Under normal conditions, Ole Miss would have grown with the leadership of any competent chancellor. Why then, the intense devotion and acclaim for Dr. John D. Williams?

The explanation is that conditions were not normal. For no university in modern times faced the crisis Ole Miss did in 1962—a crisis which easily could have closed our doors or have sharply curtailed our growth.

They were chaotic days. Ole Miss was the focal point of a major constitutional struggle complete with dramatic confrontations between state and federal forces. The conflict ended with thousands of troops on the campus and a riot followed by unrelenting abuse from the national news media.

A competent chancellor would not have been enough to save the University, but Ole Miss had much more than that—in J. D. Williams she had a great chancellor.

To the unthinking, the decision to hold regular classes in buildings filled with the stench of tear gas may have seemed unwise. In retrospect, the decision was a stroke of genius. The crucial fact that the disturbances were not permitted to alter the scheduling of classes later served as the foundation for a defense of our accreditation when that was challenged.

A merely competent chancellor might have dismissed classes until conditions returned to normal. A great chancellor, by his first act after that terribly day, saw to it that conditions did return to normal.

The succeeding months and years were hectic. The academic image of the University had to be rebuilt, the momentum of expansion had to be restarted and perhaps, most important of all, the internal spirit of a great institution with great traditions had to be restored.

A merely competent chancellor could not have met the challenge. A great chancellor could and did. With cool head, great foresight and total dedication, John D. Williams saved Ole Miss.

Thus, the devotion and acclaim for Dr. Williams is well-deserved. Those who love Ole Miss will always be grateful that for twenty-one years we had a great chancellor with the needed courage and love for the University to lead her through her most desperate hours.

Academic Life

College of Liberal Arts

Students enter the halls of learning.

Founded in 1848, the College of Liberal Arts is the oldest and largest division of the University. The College awards degree of Bachelor of Arts, Bachelor of Fine Arts, Bachelor of Music, and Bachelor of Science. A varied and extensive curricula in the humanities, the natural sciences, and the social sciences has been spurred on by a systematic Development Program initiated in 1952. The program was originally made possible by a grant from the General Education Board along with matching funds from the Board of Trustees. The Development Program has brought to the University outstanding scholars and distinguished visiting professors and artist to enrich the experience of the University student. The College also sponsors a Scholars Program to provide special instruction for superior students.

The law library enhances opportunity for research and study.

School of Law

Established by an act of the Legislature in 1854, the Ole Miss Law School is the fourth oldest state-supported school of law in the United States. It is housed in Lamar Hall, named for L. Q. C. Lamar, the only Mississippian to serve on the U. S. Supreme Court. The Law School offers three years of instruction in government and the legal process leading to a Juris Doctor degree as well as an expanding graduate program. Law students are responsible for the editing and most of the writing in the *Mississippi Law Journal* which is the official publication of the Mississippi State Bar. The Law School is a source of leadership for Mississippi. An overwhelming majority of Mississippi's executive officers, legislators, judges, and U. S. congressmen are graduates of the Ole Miss Law School as well as most Mississippi attorneys.

DR. JOSHUA MARION MORSE, III
Dean of the School of Law

DR. CARL BRENKERT
Dean of the School of Engineering

Engineering requires day to day study.

Instruction in engineering began at Ole Miss in 1854. The School of Engineering was formally established in 1900, making it the oldest engineering school in Mississippi. The Engineering School occupies Carrier Hall, given to the University by the late Mr. and Mrs. Robert Carrier. Other facilities are located in the Chemical Engineering Building, Geology Building, Engineering Annex and the Seismological Observatory in the Holly Springs National Forest. Degrees are offered in five basic engineering fields: chemical, civil, electrical, geological, and mechanical. An Engineering Experiment Station cooperates with industrial and engineering organizations in the investigation and solution of technical problems. The Mississippi Research and Computer Center is also part of the School of Engineering and is available to the state's agencies and to industry for problems in the field of electronic data processing.

but the reward of understanding is the pay off.

School of Medicine

The School of Medicine was originally located on the Oxford campus. In 1955, the School was moved to Jackson in coordination with the construction of a teaching hospital at the University Medical Center. The east wing of the eight-story Medical Center houses the University Hospital. The north wing is the School of Medicine including classes, laboratories, the Rowland Medical Library, and a clinic for out-patients. A nine-story research wing was added in 1963 and a diagnostic services unit was completed in 1964. The Staff of the University Hospital is appointed from the faculty of the School of Medicine. The Ole Miss School of Medicine has achieved national reputation in research and medical advances particularly in the use of artificial replacements for body organs. The University Hospital was one of the first in the country to make use of electrical anesthesia.

Future doctors examine chemical reactions.

Teamwork between future nurse and doctor is stressed in the School of Medicine.

School of Education

The library is of much help to the education student.

The challenging need for qualified teachers, supervisors and administrators is the primary concern of the School of Education. Professional courses at both under-graduate and graduate levels are aimed at closing the national and state educational gap. In addition to the regular curriculum, conferences, surveys and specialized research activities provide an access to professional services to the schools of the state. Graduates from the teacher preparation programs of the School of Education meet all requirements for teaching certificates in Mississippi and are also qualified to teach in all accredited high schools in Mississippi as well as high schools and other secondary schools accredited by the Southern Association of Colleges and Schools. A Bureau of Educational Research provides specialized services to Mississippi schools in cooperation with the State Department of Education and local school boards.

GENERAL CHEMISTRY LABORATORY

Pharmacy students must keep pace with the fast-moving world of chemistry.

Pharmacy students show their interests and serious attitudes.

School of Pharmacy

Established in 1908, the School of Pharmacy is the only pharmacy school in Mississippi. Ole Miss pharmacy students are trained to become community, hospital and industrial pharmacists, analysts of pharmaceutical and food products and professional representatives for manufacturers of pharmaceutical, chemical, and medical products. A Research Institute of Pharmaceutical Sciences makes comprehensive studies of the state's pharmaceutical industry and conducts basic and applied research with a view toward developing natural products of Mississippi for pharmaceutical use. A Bureau of Pharmaceutical Services accumulates and disseminates information pharmacists professional organizations, and public agencies. The Bureau maintains a Poison Control Center, offering information to professional personnel in the Health Sciences regarding composition, toxicology, and antidotes for commercial products involved in cases of poisoning.

School of Business

DR. BEN B. McNEW
Acting Dean of the School of Business and Government

A rapidly developing industrial economy and expanding government services in Mississippi have made it imperative to provide a large pool of personnel trained for administrative careers in business and government. The close association of the problems of business and government has led to the incorporation of the courses in these two areas in the School of Business and Government. In addition to training students for administrative positions in the private and public sectors, the School provides research and other services to business and governmental units. A Bureau of Business and Economic Research analyzes Mississippi business conditions and conducts studies of specific reports and a bimonthly journal. A Bureau of Governmental Research provides practical and research assistance to municipalities and public agencies.

Students think when confronted with questions.

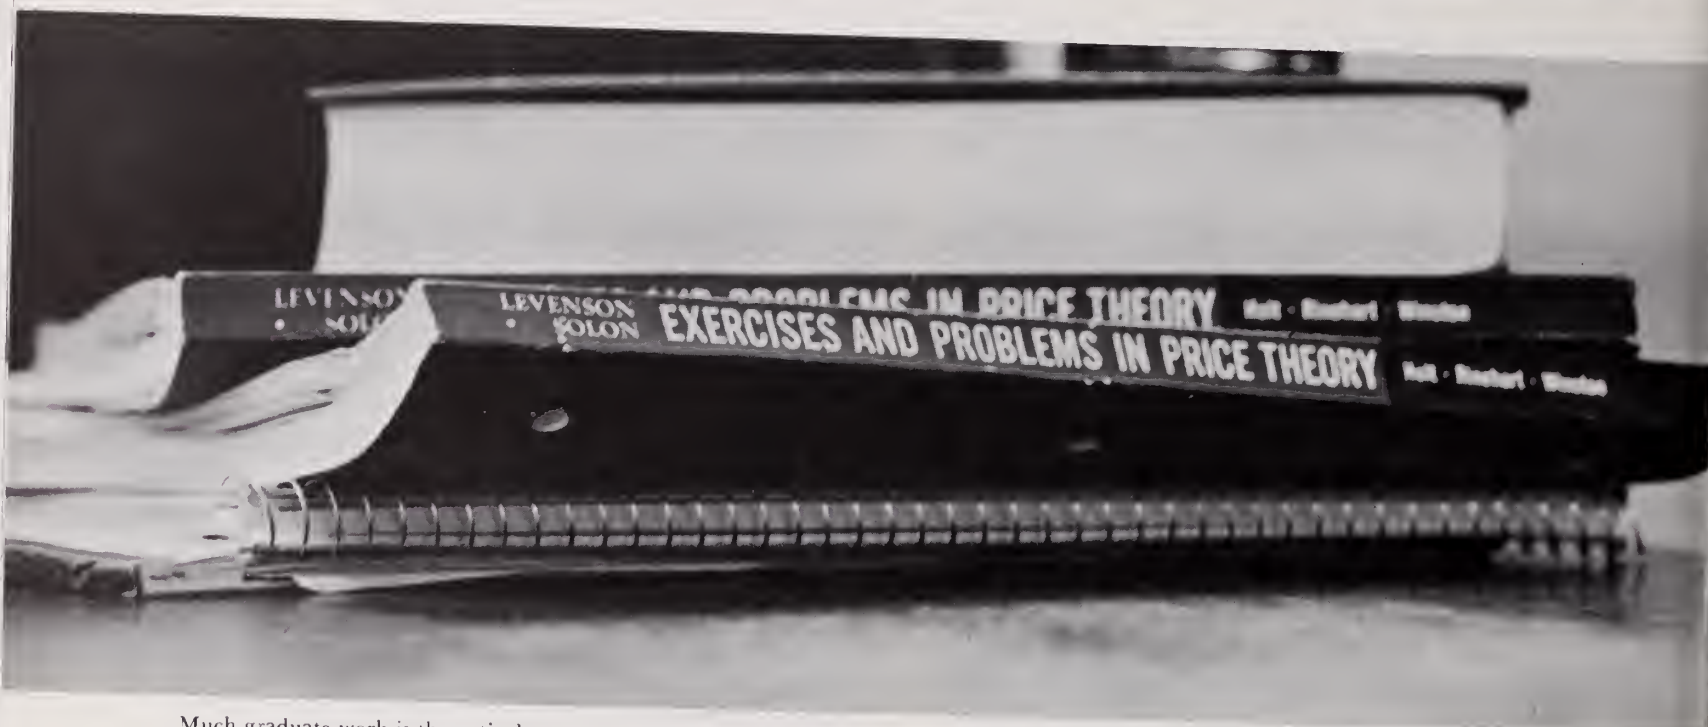

Students are often given the opportunity to teach.

Business students pause outside Conner Hall between classes.

Instruction is often a part of graduate work.

Much graduate work is theoretical

The library is a second home for most graduate students.

Dr. LEWIS NOBLES
Dean of Graduate School

Graduate level courses were first offered at Ole Miss in 1870 and the Graduate School was formally organized in 1927. The rapid expansion of the graduate program is reflected in the spectacular increase in masters and doctorate degrees awarded by the University in recent years. Graduate School enrollment has been a primary cause of the increase in overall University student enrollment. Numbers, of course, is not the Graduate goal—it is the quality and research. To that end, the Committee on Faculty Research receives applications for faculty research assistance and attempts to obtain support for research from University funds and private and public agencies. Many faculty members, assisted by graduate students, are engaged in research for government agencies and private foundations. The graduate research program also has at its disposal the facilities and research staffs of the Oak Ridge National Laboratories.

Business graduate students and calculators become close friends.

What's Wrong with feeling proud?

What's wrong with feeling proud when you see your country's flag? What's wrong with getting a little choked up?

There are those who will tell you that honor to the flag is out of style, is oldfashioned, is unsophisticated.

But taking pride in "Old Glory" ... gathering an extra surge of courage from its bright, rippling folds ... was not out of style at far-off places like Chapultepec and San Juan Hill and Chateau Thierry and Iwo Jima and Hill No. 875.

And it isn't out of style right here and now, either. So go ahead. Lift your hat or put your hand to your heart when your nation's flag goes by. You're a better American and a better human being when you do.

CORPORATION

The Last Word

Editing the OLE MISS is a long task that takes one into every phase of campus life and every department of University Administration. To do a good job requires a staff that is loyal, dependable, and industrious; a student body that cooperates, and people who produce and accept nothing but the best. There are four people who fit into this last category, and I want to tell you about them.

One is Irving Lloyd. He grew up in the Bronx, played right halfback for Columbia University, spent thirteen months as a prisoner of war in Korea, and is now the leading authority on yearbook photography in the United States. He spent several weeks at Ole Miss taking pictures and working with our photographers. Mr. Lloyd gave his best and did far more than was expected to help produce a better OLE MISS.

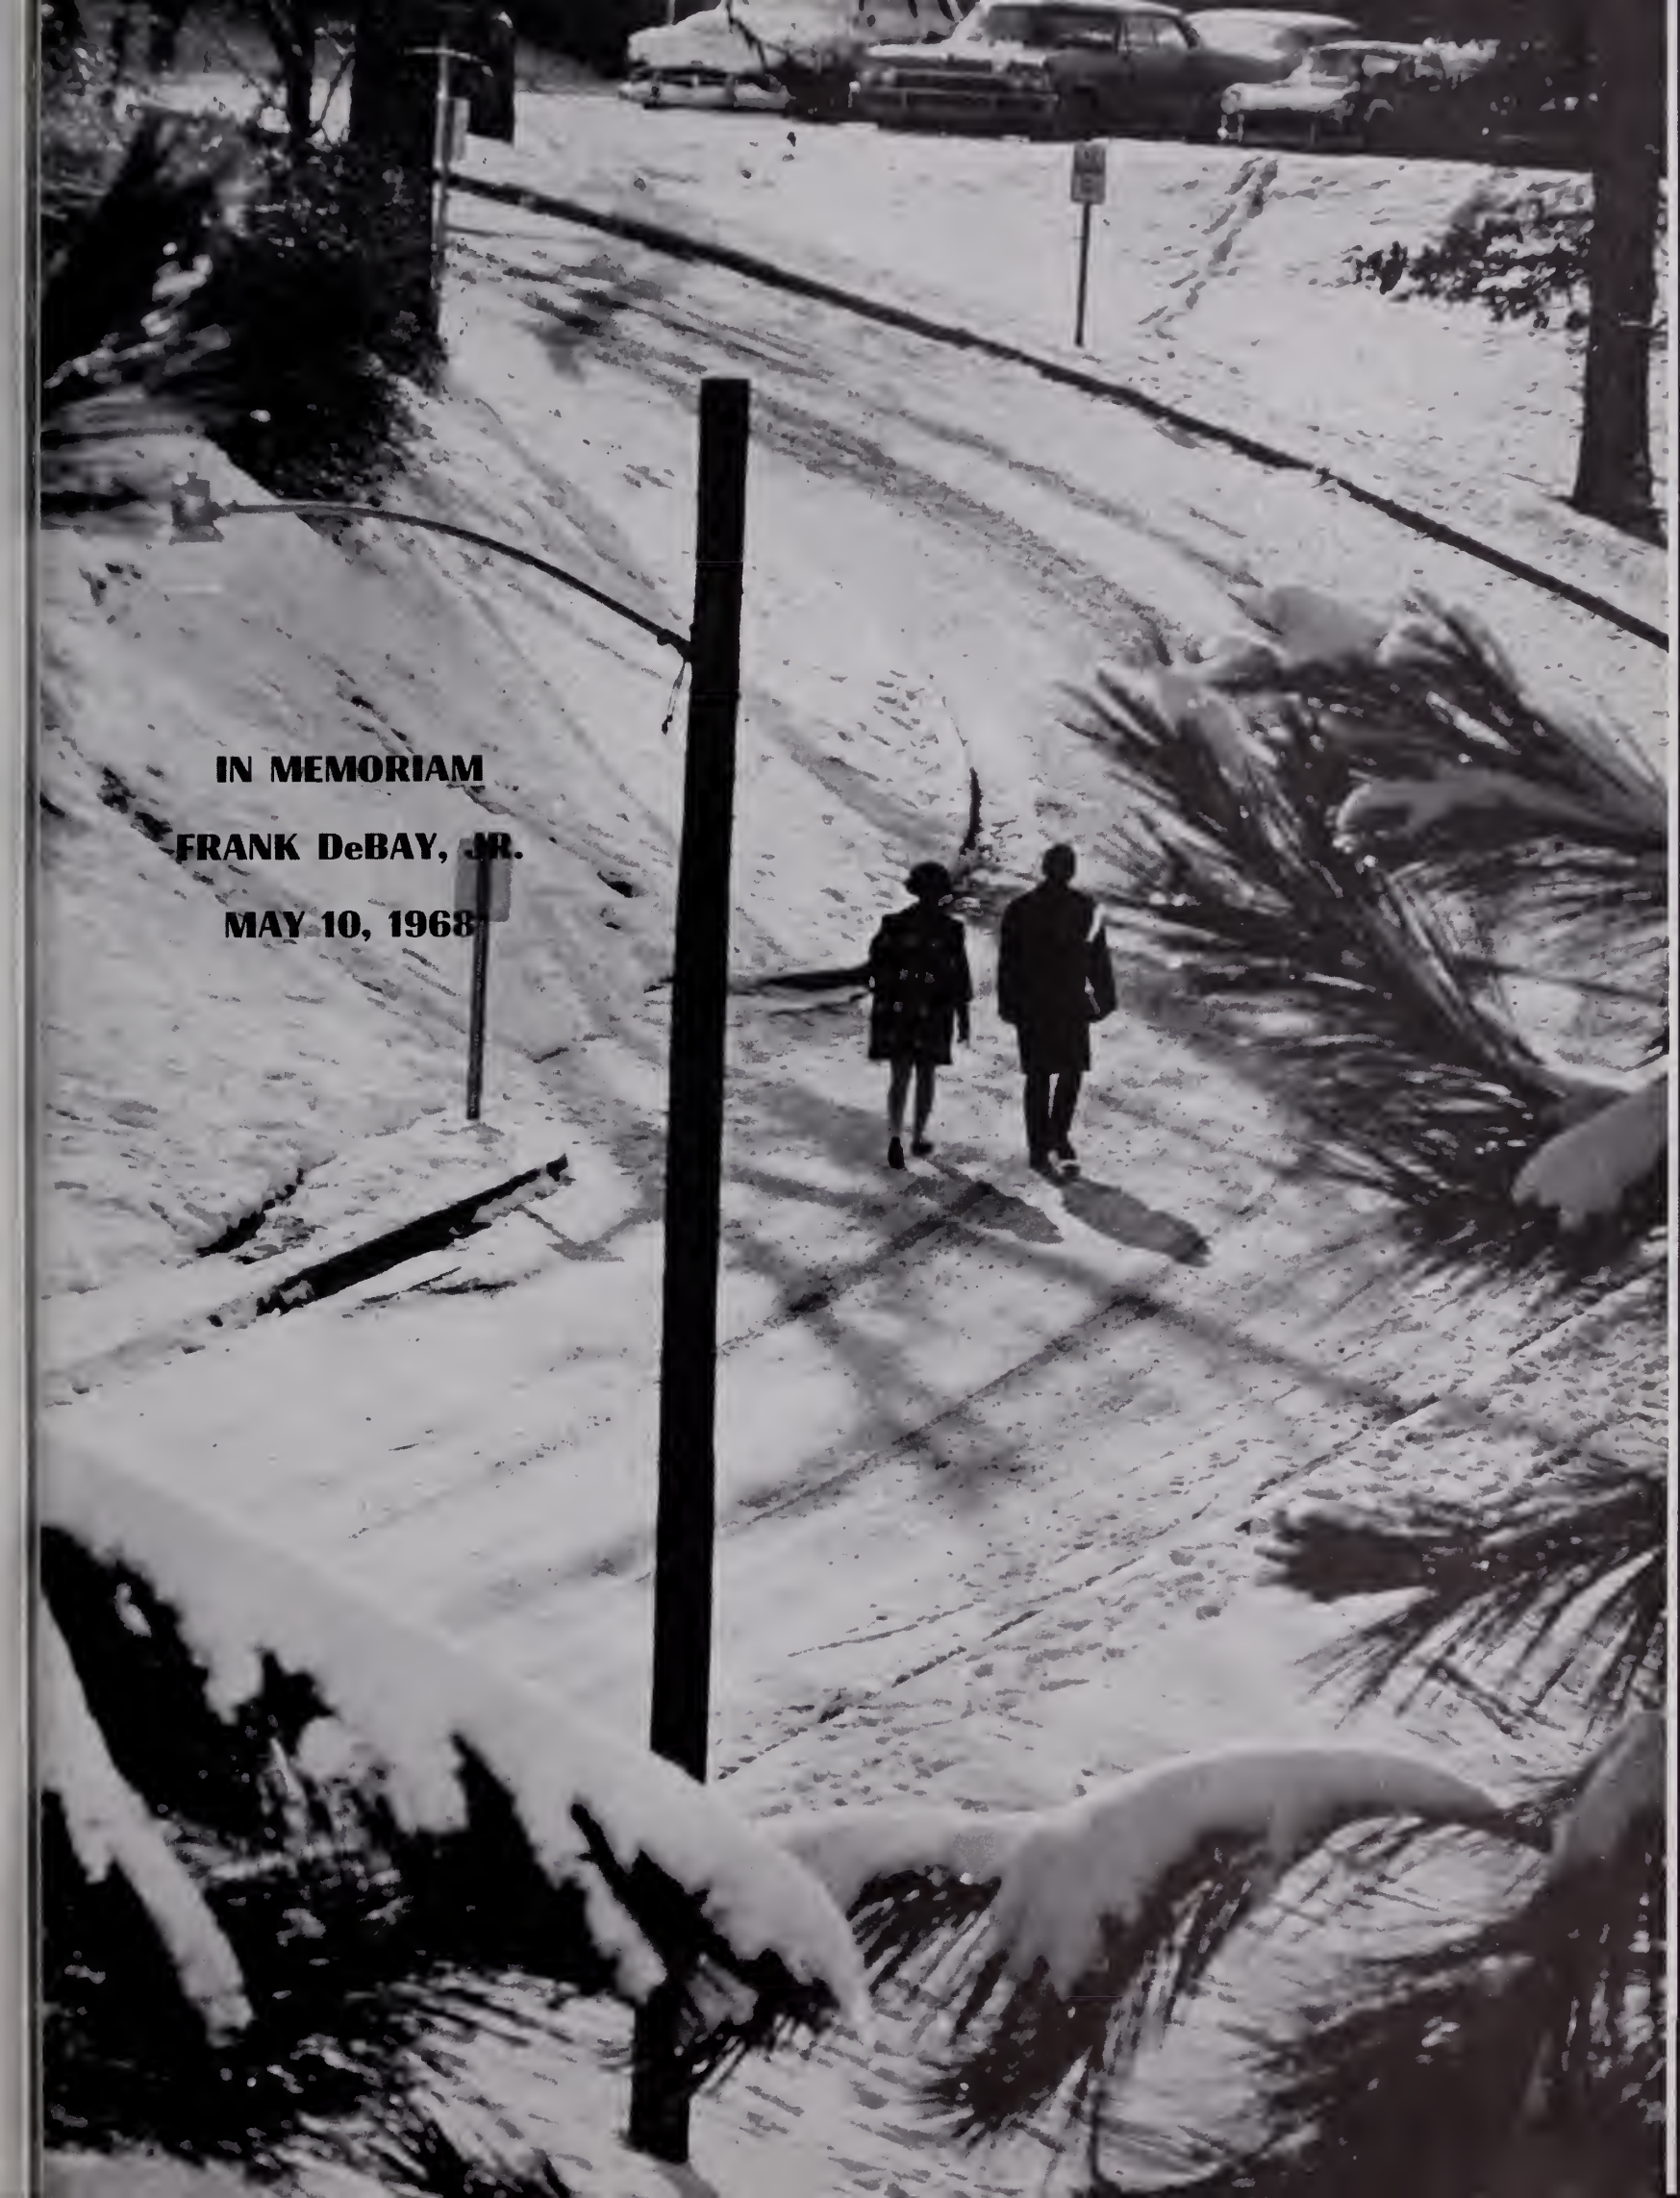

Bob Alexander of Grenada has been the official photographer for the Ole Miss beauties for ten years. This year Bob had to journey all the way to Biloxi to take the pictures of the beauties and favorites. As usual, his work was excellent.

A former editor of the OLE MISS, Buddy Shaw is Vice President of Benson Printing Company, Inc. of Nashville, the firm that has printed the OLE MISS for over fifty years. Because he wanted to see Ole Miss put out a really good book, Buddy extended his patience and cooperation further than someone in his position should.

The only one of the four directly connected with the University is Horace Lester, editor of the 1966 OLE MISS and now a student. For eight months Horace worked on a series of computer programs which not only compiled ninety per cent of the identification in this book, but were so versatile that any information that was needed by the staff could be obtained quickly and easily.

Of course, these four are not all those to whom I owe thanks. But these gave much of their time and used all of their ability; without their contribution, this yearbook would not have been possible.
